ASSIGNMENT

WHEREAS We,

Cynthia Lee Chambers
43858 Camellia Street
Ashburn, VA 20147

Steven James Frederickson
40521 TimTam Court
Ashburn, VA 20147

respectively, ("Assignor"), have made a certain new and useful invention as set forth in an application for United States Letters Patent entitled **INTEGRATED PACKAGE AND MAIL DELIVERY SECURITY SYSTEM**, executed by us on the date of execution of this document, as shown below, for which an application for United States Letters Patent was filed on **December 23, 2016** and is identified by U.S. Patent Application No. **15/389,867**;

AND WHEREAS, Innovative World Solutions, LLC., having an address of 44050 Ashburn Shopping Plaza Suite 195-656, Ashburn, VA 20147 ("Assignee"), is desirous of acquiring the entire right, title and interest in and to said invention, and in and to any and all Letters Patent of the United States and foreign countries which may be obtained therefor;

NOW, THEREFORE, for good and valuable consideration, the receipt for and sufficiency of which is hereby acknowledged, Assignor does hereby sell, assign, transfer and set over unto Assignee, its legal representatives, successors, and assigns, the entire right, title and interest in and to said invention, including the right to claim priority under 35 U.S.C. §119 and the right to sue for past infringement, as set forth in the above-mentioned application, including any continuations, continuations-in-part, divisions, reissues, re-examinations or extensions thereof, and in and to any and all patents of the United States and foreign countries which may be issued for said invention;

UPON SAID CONSIDERATION, Assignor hereby agrees with the said Assignee that Assignor will not execute any writing or do any act whatsoever conflicting with these presents, and that Assignor will, at any time upon request, without further or additional consideration but at the expense of said Assignee, execute such additional assignments and other writings and do such additional acts as said Assignee may deem necessary or desirable to perfect the Assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, continuations, continuations-in-part, reexamined, reissued, or extended Letters Patent of the United States or of any and all foreign countries on said invention, and in enforcing any rights or choses in action accruing as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the
