ASSIGNMENT

WHEREAS, we, Belinda Vallejo Galland; Aarón Fernando González Córdova; José Antonio Feregrino Quezada; and Juan Carlos Feregrino Quezada have invented one or more inventions described in United States Patent Application No. 15/390,108, filed in the United States Patent and Trademark Office on December 23, 2016, and International Patent Application No. PCT/US2016/68557, filed in the United States Patent and Trademark Office as the Receiving Office on December 23, 2016, both entitled **“COMPOSITIONS AND METHODS OF USE OF NOVEL STRAINS OF LACTOBACILLUS FERMENTUM”** each of which claim priority to U.S. Provisional Patent Application 62/387,474, filed on December 24, 2015 entitled **“LACTOBACILLUS FERMENTUM STRAINS FOR THE PRODUCTION OF FUNCTIONAL FOODS AND INGREDIENTS AND IMMUNOMODULATORY EFFECTS THEREOF”** and

WHEREAS, Dairy A Day Inc. (hereinafter “ASSIGNEE”), a corporation organized and existing under the laws of the State of Delaware, and having a usual place of business at 5080 Spectrum Drive, Suite 1000 East, Addison, Texas 75001, desires to acquire an interest therein, in accordance with agreements duly entered into with us;

NOW, THEREFORE, to all whom it may concern be it known that for and in consideration of said agreements and of other good and valuable consideration, the receipt of which is hereby acknowledged, we have sold, assigned and transferred and do hereby sell, assign and transfer unto said ASSIGNEE, its successors, assigns and legal representatives, at least as early as the filing date of said applications, our entire right, title and interest in and throughout the United States of America, its territories and all foreign countries, in and to the invention(s) described in said applications, together with our entire right, title and interest in and to said applications and such Letters Patent that may issue thereon, and applications that claim priority thereto under United States law or international or foreign convention and such Letters Patent that may issue thereon, including but not limited to non-U.S., international, non-provisional, continuation, divisional, reissue, reexamination, extension, and substitution applications of said applications and such Letters Patent, and any right, title and interest we may have in invention(s) and applications to which said applications claims priority; said invention(s), applications and Letters Patent to be held and enjoyed by said ASSIGNEE for its own use and behalf and for its successors, assigns and legal representatives, to the full end of the term for which said Letters Patent may be granted as fully and entirely as the same would have been held by us had this assignment and sale not been made; we hereby convey all of our rights arising under or pursuant to any and all United States laws and international agreements, treaties or laws relating to the protection of industrial property by filing any such applications for Letters Patent, including but not limited to any cause(s) of action and damages accruing prior to this assignment. We hereby acknowledge that this assignment, being of our entire right, title and interest in and to said invention(s) and application(s), carries with it the right in ASSIGNEE to apply for and obtain from competent authorities in all countries of the world any and all Letters Patent by attorneys and agents of ASSIGNEE's selection and the right to procure the grant of all Letters Patent to ASSIGNEE in its own name as assignee of our entire right, title and interest therein;

AND, we hereby further agree for ourselves and our executors and administrators to execute upon request any other lawful documents and likewise to perform any other lawful acts which may be deemed necessary to secure fully the aforesaid invention(s) and application(s) to said ASSIGNEE, its successors, assigns and legal representatives, but at its or their expense and charges, including the execution of papers for filing of non-provisional, substitution, continuation, divisional, reissue, reexamination, and corresponding foreign and international patent applications;

AND, we hereby further agree to provide statements or testimony in any interference, derivation or post-grant proceeding, or other proceeding in which said invention(s) or any application or patent relating thereto may be involved;

AND, we hereby authorize ASSIGNEE or its attorneys or agents to insert the correct patent application number and filing date into this assignment, if none is indicated on the date of our execution of this assignment;

AND, we hereby authorize and request the Director of the United States Patent and Trademark Office and the empowered officials of all other governments to issue such Letters Patent as shall be granted upon said application, or applications based thereon, to said ASSIGNEE, its successors, assigns or legal representatives.

IN TESTIMONY WHEREOF, we have duly executed this assignment on the date(s) set forth below.
