ASSIGNMENT OF U.S. PATENTS

WHEREAS, American Products, LLC, a Missouri limited liability company ("Assignor") is the owner of certain inventions as described in United States Patent No. 8,167,227 and United States Patent No. 7,588,207 (collectively the "Patents"), and

WHEREAS, Press Room Equipment, LLC, a Missouri limited liability company, ("Assignee") is desirous of acquiring the entire interest in and rights to said inventions and under said Letters Patent which has been granted for or upon said invention in the United States of America, and Assignor desires to assign the Patents to Assignee;

WHEREAS, Assignee has agreed to purchase the Patents from Assignor and to assume full responsibility for all maintenance fees and obligations particular to the maintenance and enforcement of any and all patent rights appurtenant to the Patents;

NOW THEREFORE, to all whom it may concern, be it known that for good and valuable consideration, namely the payment of Ten and 00/100 Dollars (\$10.00) and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor has sold, assigned and transferred, and by these presents does sell, assign and transfer unto Assignee, the full and exclusive right, title and interest, throughout the world, in, to and under the following:

- (a) the Patents;
- (b) any and all refilings, divisions, continuations and continuations-in-part of the Patents and any related application, and any and all Letters Patent which may issue from the foregoing;
- (c) any and all reissues and reexaminations of the Patents;
- (d) any and all applications for Letters Patent upon said invention which may hereafter be filed in any and all countries foreign to the United States of America;
- (e) any and all refilings, divisions and continuations of said foreign-filed applications;
- (f) any and all Letters Patent of countries foreign to the United States of America which may issue from the said foreign-filed applications, refilings, divisions and continuations; and
- (g) any and all extensions of, and additions to, said Letters Patent of countries foreign to the United States of America.

ALL of the above shall be held and enjoyed by Assignee, for its own use and benefit, and for its successors, legal representatives and assigns, to the full end of the term for which said Letters Patent have been or may be granted, and we do hereby authorize and request the Commissioner of Patents and Trademarks to record and acknowledge this assignment of the said Letters Patent. Assignor agrees to execute any

other documents reasonably necessary to complete the assignment of said Patent, the recordation of the assignment with the U.S. Patent Office, and the change in correspondence address and power of attorney.

EXECUTED this 29 day of January, 2016.
