ASSIGNMENT

WHEREAS, I, Kuen Chee EE of Chino, California, have invented a new and useful
SUSPENSION HAVING A STACKED D33 MODE PZT ACTUATOR WITH
CONSTRAINT LAYER, for which an application for Letters Patent of the United States

☒ is being filed concurrently herewith

☐ was filed on _____ as Application Serial No. _____

WHEREAS I believe that I am the original, first, sole inventor of the invention disclosed
and claimed in said application for Letters Patent;

WHEREAS, **MAGNECOMP CORPORATION**, a California corporation having a
place of business at 38975 Sky Canyon Drive, Suite 111, Murrieta, California 92563, and who,
together with its successors and assigns ("Assignee") desires to acquire by formal, recordable
assignment the entire right, title and interest in and to said invention, said application, and any
Letters Patent that may be granted for said invention in the United States and throughout the
world;

NOW, THEREFORE, for valuable consideration furnished by Assignee to me, receipt
and sufficiency of which are hereby acknowledged, I hereby, without reservations:

1. Assign, transfer, and convey to Assignee the entire right, title, and interest in and
to said application for Letters Patent of the United States, including all claims, if any, for
infringement prior to the date of this assignment, the inventions and discoveries described
therein, any and all other applications for Letters Patent on said inventions and discoveries in
whatsoever countries, including all divisional, renewal, substitute, continuation, continuation-in-
part, and Convention applications based in whole or in part upon said inventions or discoveries,
or upon said applications, and any and all Letters Patent, reissues, and extensions of Letters
Patent granted for said inventions and discoveries or upon said applications, and every priority
right that is or may be predicated upon or arise from said inventions, said discoveries, said
applications, and said Letters Patent.

2. Authorize Assignee to file patent applications in any or all countries for any or all
of said inventions and discoveries in my name or in the name of Assignee or otherwise as
Assignee may deem advisable, under the International Convention or otherwise.

3. Authorize and request the Commissioner of Patents and Trademarks of the United States of America and the empowered officials of all other governments to issue or transfer all said Letters Patent to Assignee, as assignee of the entire right, title, and interest therein or otherwise as Assignee may direct.

4. Warrant that I have not knowingly conveyed to others any right in said inventions, discoveries, applications, or patents or any license to use the same or to make, use, or sell anything embodying or utilizing any of said inventions or discoveries; and that I have good right to assign the same to Assignee without encumbrance.

5. Bind my heirs, legal representatives, and assigns, as well as myself, to do, upon Assignee's request and at Assignee's expense, but without additional consideration to me or to them, all acts reasonably serving to assure that the said inventions and discoveries, the said patent applications, and the said Letters Patent shall be held and enjoyed by Assignee as fully and entirely as the same could have been held and enjoyed by me, my heirs, legal representatives, and assigns if this assignment had not been made; and particularly to execute and deliver to Assignee all lawful application documents including petitions, specifications, and oaths, and all assignments, disclaimers, and lawful affidavits in form and substance as may be requested by Assignee; to communicate to Assignee all facts known to me relating to said inventions and discoveries or the history thereof; to furnish Assignee with any and all documents, photographs, models, samples, and other physical exhibits in our control or in the control of my heirs, legal representatives, or assigns which may be useful for establishing the facts of my conception, disclosures, and reduction to practice of said inventions and discoveries; and to testify as to the same in any interference or other litigation.
