ASSIGNMENT

This Assignment is made and entered into by and between Todd E. Wright of 2546 Buffalo Shoals Rd., Statesville, NC 28677 and Smith E. Trent III of 802 Kentwood Rd., Statesville N.C. 28677 (hereinafter referred to as "INVENTORS") and Toter, Incorporated, a North Carolina corporation, having a place of business at 1901 Roxborough Road, Suite 300, Charlotte, NC 28211 USA (hereinafter referred to as "TOTER").

Whereas INVENTORS have invented certain inventions as described in United States provisional patent application Serial No. 61/566,327, filed December 2, 2011, titled "WHEEL ASSEMBLY" (Attorney Docket No. 20218/04456);

Whereas, TOTER desires to acquire the entire right, title and interest in said application and inventions, and to any United States and foreign patents to be obtained therefor; and

Now, therefore, for good and valuable consideration, receipt of which is hereby acknowledged:

1. INVENTORS hereby sell, assign, and transfer to TOTER, its successors and assigns, the entire right, title and interest, so far as concerns the United States and the Territories and Possessions thereof and all foreign countries, in and to the inventions set forth in the provisional patent application filed on the above-indicated date, any application for United States Letters Patent claiming priority thereto and any and all other applications for Letters Patent on said inventions in the United States and in countries foreign to the United States, including all divisional, renewal, extension, reexamination, substitute, continuation, continuation-in-part, reissue, and Convention applications based in whole or in part upon said inventions or upon said applications, and any and all Letters Patent and reissues and extension of Letters Patent granted for said inventions or upon said applications, and every priority right that is or may be predicated upon or arise from said inventions, said applications and said Letters Patents.

2. TOTER is hereby authorized to file patent applications in any or all countries on any or all said inventions in the name of the INVENTORS or in the name of TOTER or otherwise as TOTER may deem advisable, under the International Convention or otherwise.

3. The Commissioner of Patents of the United States of America and the empowered officials of all other governments are hereby authorized to issue or transfer all said Letters Patent to TOTER in accordance herewith.

4. This Assignment is being made under covenant, not only that full power to make the same is had by the INVENTOR, but also that, at the time of execution of this Assignment, such assigned right is not encumbered by any grant, license, governmental restriction, or other right heretofore given.

5. The INVENTORS agrees that they will do all acts reasonably serving to assure that said inventions, patent applications and Letters Patent shall be held and enjoyed by TOTER as fully and entirely as the same could have been held and enjoyed by the INVENTORS if this Assignment had not been made, and particularly to execute and deliver to TOTER all lawful documents including petitions, specifications, oaths, assignments, invention disclaimers, lawful affidavits, and declarations in form and in substance which may be requested by TOTER, to furnish TOTER with all facts relating to said inventions or the history thereof and any and all documents, photographs, models, samples or other physical exhibits which may be useful for establishing the facts of conception, disclosure and reduction to practice of said inventions, and to testify in any proceedings relating to said inventions, patent applications and Letters Patent.

6. I hereby instruct TOTER's attorneys to enter the corresponding application number and filing date of the afore-referenced patent application prior to recording this assignment, to have the same effect as if entered prior to my signature.
