ASSIGNMENT AND AGREEMENT

Effective as of **March 02, 2016** for value received and intending to be legally bound, I/we, the undersigned joint inventor(s) (Assignor(s)), sell, assign and transfer to **Sanofi-Aventis Deutschland GmbH** (Assignee), **Brüningstrasse 50, D-65929 Frankfurt am Main, Germany**, and its successors, assigns and legal representatives, the entire right, title and interest in and to my/our invention/design and any improvements thereon for all countries of the world, relating in and to the multiple Community design registration bearing the registration number and date below, assigned Attorney Docket No. **DE2015/107**, entitled

CONTAINER FOR INJECTION DEVICES

and for all applications which claim priority to or are derived from said priority application:

Community Design:	Filing Date:	November 11, 2015
	Registration No.:	002864397

and all the rights and privileges, including any and all benefits under the International Convention for the Protection of Industrial Property, including the right to claim priority based on said application(s), and under any and all Letters Patent which may be granted therefore, and all right, title and interest in and to every intellectual property application filed or to be filed on said design/invention in any other country or patent organization, including, without limitation, continuations, divisions, renewals, revivals, and any substitute applications of said application, and any and all intellectual property rights which may issue thereon, and any reissues, reexaminations, pipelines and extensions, and governmental exclusivity rights of the same.

I/we state that I/we am/are an original inventor(s) of the claimed invention/designs and authorize the filing of applications for registered intellectual property rights for the claimed invention/designs.

I/we authorize and request competent authorities to grant and issue any and all registered intellectual property rights on said design/invention to said assignee or its successor, assigns and legal representatives, or to such nominees as said assignee may designate.

I/we agree that, when requested, I/we will, without charge to said assignee but at its expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient for securing and maintaining intellectual property rights for said design/invention in any and all countries and for vesting title thereto in said assignee, its successors, assigns, legal representatives or nominees.

I/we covenant with said assignee, its successors, assigns and legal representatives, that the rights and property herein conveyed are free and clear of any encumbrance, and that I/we have full right to convey the same as herein expressed.
