| I believe that I am the original inventor or an original joint inventor of a claimed invention in the application.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |                                                                                                                               |
| WHEREAS, <u>King Abdulaziz University</u><br>(hereinafter referred to as "ASSIGNEE") having places of business at: <u>P.O. Box 80200, Jeddah 21589 SAUDI<br/>ARABIA</u> , is desirous of acquiring the entire right, title and interest in and to said invention and in and to any Letters<br>Patent that may be granted therefore in the United States and its territorial possessions and in any and all foreign<br>countries;                                                                                                                                                                                                                                                                                                                                                                                                                                                           |                                                                                                                               |
| NOW, THEREFORE, in consideration of the sum of FIVE DOLLARS (\$5.00), the receipt whereof is hereby<br>acknowledged, and for other good and valuable consideration, I, by these presents do sell, assign and transfer unto<br>said ASSIGNEE, the full and exclusive right to the said invention in the United States and its territorial possessions<br>and in all foreign countries (including the right to claim priority under the terms of the International Convention and<br>other relevant International Treaties and Arrangements from the aforesaid application) and the entire right, title and<br>interest in and to any and all Letters Patent which may be granted therefor in the United States and its territorial<br>possessions and in any and all foreign countries and in and to any and all divisions, reissues, continuations,<br>substitutions and renewals thereof. |                                                                                                                               |
| I hereby authorize and request the Patent Office Officials in the United States and its territorial possessions and<br>any and all foreign countries to issue any and all of said Letters Patent, when granted, to said ASSIGNEE as the<br>assignee of my entire right, title and interest in and to the same, for the sole use and behoof of said ASSIGNEE, its<br>(his) successors and assigns, to the full end of the term for which said Letters Patent may be granted, as fully and<br>entirely as the same would have been held by me had this Assignment and sale not been made.                                                                                                                                                                                                                                                                                                    |                                                                                                                               |
| Further, I agree that I will communicate to said ASSIGNEE or its (his) representatives any facts known to me<br>respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional,<br>continuation, substitute, renewal and reissue applications, execute all necessary assignment papers to cause any and<br>all of said Letters Patent to be issued to said ASSIGNEE, make all rightful oaths, and, generally do everything<br>possible to aid said ASSIGNEE, its (his) successors and assigns, to obtain and enforce proper protection for said<br>invention in the United States and its territorial possessions and in any and all foreign countries.                                                                                                                                                                                    |                                                                                                                               |
| I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. 1001<br>by fine or imprisonment of not more than five (5) years, or both.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |                                                                                                                               |
| <b>LEGAL NAME OF INVENTOR</b>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |                                                                                                                               |
| Inventor: <u>Ehadijah M. AL-ZAYDI</u>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      | Date: <u>29/12/2016</u>                                                                                                       |

| As the below named inventor, I hereby declare that:                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |                                                                                                                               |
| This declaration <input checked="" type="checkbox"/> The attached application, or                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |                                                                                                                               |
| is directed to: <input type="checkbox"/> United States application or PCT international application number _____<br>filed on _____                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |                                                                                                                               |
| The above-identified application was made or authorized to be made by me.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |                                                                                                                               |
| I believe that I am the original inventor or an original joint inventor of a claimed invention in the application.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |                                                                                                                               |
| WHEREAS, <u>King Abdulaziz University</u><br>(hereinafter referred to as "ASSIGNEE") having places of business at: <u>P.O. Box 80200, Jeddah 21589 SAUDI<br/>ARABIA</u> , is desirous of acquiring the entire right, title and interest in and to said invention and in and to any Letters<br>Patent that may be granted therefore in the United States and its territorial possessions and in any and all foreign<br>countries,                                                                                                                                                                                                                                                                                                                                                                                                                                                           |                                                                                                                               |
| NOW, THEREFORE, in consideration of the sum of FIVE DOLLARS (\$5.00), the receipt whereof is hereby<br>acknowledged, and for other good and valuable consideration, I, by these presents do sell, assign and transfer unto<br>said ASSIGNEE, the full and exclusive right to the said invention in the United States and its territorial possessions<br>and in all foreign countries (including the right to claim priority under the terms of the International Convention and<br>other relevant international Treaties and Arrangements from the aforesaid application) and the entire right, title and<br>interest in and to any and all Letters Patent which may be granted therefor in the United States and its territorial<br>possessions and in any and all foreign countries and in and to any and all divisions, reissues, continuations,<br>substitutions and renewals thereof. |                                                                                                                               |
| I hereby authorize and request the Patent Office Officials in the United States and its territorial possessions and<br>any and all foreign countries to issue any and all of said Letters Patent, when granted, to said ASSIGNEE as the<br>assignee of my entire right, title and interest in and to the same, for the sole use and behoof of said ASSIGNEE, its<br>(his) successors and assigns, to the full end of the term for which said Letters Patent may be granted, as fully and<br>entirely as the same would have been held by me had this Assignment and sale not been made.                                                                                                                                                                                                                                                                                                    |                                                                                                                               |
| Further, I agree that I will communicate to said ASSIGNEE or its (his) representatives any facts known to me<br>respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional,<br>continuation, substitute, renewal and reissue applications, execute all necessary assignment papers to cause any and<br>all of said Letters Patent to be issued to said ASSIGNEE, make all rightful oaths, and, generally do everything<br>possible to aid said ASSIGNEE, its (his) successors and assigns, to obtain and enforce proper protection for said<br>invention in the United States and its territorial possessions and in any and all foreign countries.                                                                                                                                                                                    |                                                                                                                               |
| I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. 1001<br>by fine or imprisonment of not more than five (5) years, or both.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |                                                                                                                               |

| As the below named inventor, I hereby declare that:                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |                                                                                                                               |                         |  |
| This declaration <input checked="" type="checkbox"/> The attached application, or                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |                                                                                                                               |                         |  |
| is directed to: <input type="checkbox"/> United States application or PCT international application number _____<br>filed on _____                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |                                                                                                                               |                         |  |
| The above-identified application was made or authorized to be made by me.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |                                                                                                                               |                         |  |
| I believe that I am the original inventor or an original joint inventor of a claimed invention in the application.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |                                                                                                                               |                         |  |
| WHEREAS, <u>King Abdulaziz University</u><br>(hereinafter referred to as "ASSIGNEE") having places of business at: <u>P.O. Box 80200, Jeddah 21589 SAUDI<br/>ARABIA</u> , is desirous of acquiring the entire right, title and interest in and to said invention and in and to any Letters<br>Patent that may be granted therefore in the United States and its territorial possessions and in any and all foreign<br>countries;                                                                                                                                                                                                                                                                                                                                                                                                                                                           |                                                                                                                               |                         |  |
| NOW, THEREFORE, in consideration of the sum of FIVE DOLLARS (\$5.00), the receipt whereof is hereby<br>acknowledged, and for other good and valuable consideration, I, by these presents do sell, assign and transfer unto<br>said ASSIGNEE, the full and exclusive right to the said invention in the United States and its territorial possessions<br>and in all foreign countries (including the right to claim priority under the terms of the International Convention and<br>other relevant International Treaties and Arrangements from the aforesaid application) and the entire right, title and<br>interest in and to any and all Letters Patent which may be granted therefor in the United States and its territorial<br>possessions and in any and all foreign countries and in and to any and all divisions, reissues, continuations,<br>substitutions and renewals thereof. |                                                                                                                               |                         |  |
| I hereby authorize and request the Patent Office Officials in the United States and its territorial possessions and<br>any and all foreign countries to issue any and all of said Letters Patent, when granted, to said ASSIGNEE as the<br>assignee of my entire right, title and interest in and to the same, for the sole use and behoof of said ASSIGNEE, its<br>(his) successors and assigns, to the full end of the term for which said Letters Patent may be granted, as fully and<br>entirely as the same would have been held by me had this Assignment and sale not been made.                                                                                                                                                                                                                                                                                                    |                                                                                                                               |                         |  |
| Further, I agree that I will communicate to said ASSIGNEE or its (his) representatives any facts known to me<br>respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional,<br>continuation, substitute, renewal and reissue applications, execute all necessary assignment papers to cause any and<br>all of said Letters Patent to be issued to said ASSIGNEE, make all rightful oaths, and, generally do everything<br>possible to aid said ASSIGNEE, its (his) successors and assigns, to obtain and enforce proper protection for said<br>invention in the United States and its territorial possessions and in any and all foreign countries.                                                                                                                                                                                    |                                                                                                                               |                         |  |
| I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. 1001<br>by fine or imprisonment of not more than five (5) years, or both.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |                                                                                                                               |                         |  |
| <b>LEGAL NAME OF INVENTOR</b>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |                                                                                                                               |                         |  |
