ASSIGNMENT OF US PATENT APPLICATION

The undersigned (hereinafter collectively referred to as the Assignor), in consideration of the sum of one US dollar (\$ 1.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, hereby sell, assign, and transfer to:

Fraunhofer-Gesellschaft zur Foerderung der angewandten Forschung e.V.

(hereinafter referred to as the Assignee), of:

**Hansastrasse 27c
80686 Muenchen
GERMANY**

my entire right, title and interest in United States Patent Application Serial No. 15/304,618, filed 17 October 2016, entitled:

FERMENTATION SYSTEMS

and in any and all patent application(s) claiming benefit of priority thereto, including any continuation, divisional, continuation-in-part or substitute patent application; the right, title and interest to be held and enjoyed by the Assignee for his own use, and for his own legal representatives and assigns, for the full term for which such patents are granted.

The Assignor hereby agrees to execute all papers necessary in connection with the filing and prosecution of any patent application (including any continuation, divisional or continuation-in-part patent application) claiming priority to said United States Patent Application including but not limited to any declaration of inventorship, and also agrees to execute separate assignments in connection with such applications as the Assignee may deem necessary or expedient.

The Assignor hereby represents to have full right to convey the interest herein assigned, and has not executed, and will not execute, any agreement in conflict therewith.

The Assignor hereby grants the Practitioners associated with United States Patent and Trademark Office (USPTO) Customer Number 59538 assigned to Wagenknecht IP Law Group, PC power to insert in this assignment and any further identification that may be necessary or desirable in order to comply with the rules of the USPTO for recordation of this document.
