PATENT ASSIGNMENT

WHEREAS, Superior Drilling Products, Inc., a company (hereinafter the "Assignor") with an address at 1583 S 1700 E, Vernal UT 84078, is the owner by assignment from the inventors recorded with the U.S. Patent and Trademark Office of all rights, titles and interests in the inventions, patents, patent applications and improvements listed on Schedule A, attached hereto and collectively referred to herein as the "Patents and Applications";

AND, WHEREAS, Extreme Technologies, LLC, a limited liability company having a place of business located at 1583 South 1700 East, P.O. BOX 1656, Vernal, Utah 84078 (hereinafter the "Assignee"), is desirous of acquiring all rights, titles and interests in and to the Patents and Applications including all patents and patent applications corresponding thereto and/or claiming priority or derived therefrom;

NOW, THEREFORE, in view of the receipt of ten U.S. dollars (US\$10.00), and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor does hereby sell, assign and transfer unto said Assignee, its successors, assigns and legal representatives, Assignor's entire right, title and interest in and throughout the United States of America (including its territories and dependencies) and all countries foreign thereto in and to the Patents and Applications listed on Schedule A including: (i) any and all other U.S. and non-U.S. patent applications corresponding to or claiming priority thereto or therefrom; (ii) any and all provisional, divisional, renewal, substitute, continuation, continuation-in-part, reexamination and reissue applications, based in whole or in part on said Patents and Applications; (iii) any and all foreign applications, including filed and yet to be filed national stage applications, corresponding or claiming priority thereto; (iv) any and all international and regional applications, based in whole or in part on any of the aforesaid Patents and Applications; (v) and all letters, granted and issued patents, including extensions thereof, of any country which have been or may be granted on any of the aforesaid Patents and Applications or any part(s) thereof; and (vi) any and all right of recovery for prior damages due to infringement or misappropriation of the rights under the Patents and Applications;

ASSIGNOR hereby authorizes and requests the attorneys of its agent, Remenick PLLC, whose address is 1025 Thomas Jefferson St., Suite 175, Washington, DC 20007, to make any typographical or grammatical corrections hereto and to insert hereon any identification and/or corrections necessary or desirable for recordation of this document, including the titles, filing dates and application numbers of said Patents and Applications as necessary or requested;

ASSIGNOR hereby agrees for itself and for each of Assignor's successors, executors, administrators and/or legal representatives to execute without further consideration any further documents and instruments which may be necessary, lawful and proper in the prosecution of said Patents and Applications or in the preparation or prosecution of any continuing, substitute, divisional, renewal, reexamination or reissue application or in any amendments, extensions or interference proceedings, or other applications for patents of any region or country, that may be necessary to secure to Assignee its interest and title in and to said Patents and Applications or any part(s) thereof, and in and to said several patents that may issue from said Patents and Applications or any of them;

ASSIGNOR hereby covenants for itself and Assignor's successors, executors, administrators and/or legal representatives, and agrees with said Assignee, its successors and assigns, that Assignor has granted no right or license to make, use, sell or offer to sell said

Patents and Applications, to anyone except said Assignee, that prior to the execution of this assignment, Assignor's rights, title and interest in said Patents and Applications had not been otherwise encumbered, and that Assignor has not and will not execute any instrument in conflict therewith;

ASSIGNOR does hereby authorize and request the United States Commissioner for Patents to issue any and all Letters Patent which may be granted upon said United States Patent Applications or any part(s) thereof when granted, to said Assignee; and

ASSIGNOR and Assignee hereby agree that this Patent Assignment Agreement is effective at least as of filing dates of the PCT Applications listed in Schedule A.

IN WITNESS WHEREOF, Assignor and Assignee hereunto set their hands and seals.
