ASSIGNMENT

WHEREAS, Airborne Media Group, Inc. ("Assignor"), a business entity organized and existing under the laws of the State of Colorado, and having its principal offices at 975 Main Avenue, Suite #4, Durango, Colorado 81301, has ownership rights for U.S. Patent No. 8,929,922 (U.S. Application No. 13/485,806, filed May 31, 2012) issued on January 6, 2015, entitled MOBILE DEVICE FOR VENUE-ORIENTED COMMUNICATIONS.

WHEREAS, AMG IP, LLC ("Assignee"), a business entity organized and existing under the laws of the State of Colorado, and having its principal offices at c/o Rock Systems Holdings LLC, 107 West 19th Street, Suite #2, Durango, Colorado 81301, is desirous of acquiring Assignor's entire right, title and interest in and to said invention, and to U.S. Patent No. 8,929,922.

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, we have sold, assigned and transferred, and by these presents do hereby sell, assign and transfer unto the said Assignee, its successors and assigns, our entire right, title and interest in and to said invention, U.S. Patent No. 8,929,922, all applications claiming common priority to said patent including all divisions, continuations or renewals thereof, and the Letters Patent, both foreign and domestic, that may or shall issue, therefrom including all reissues or extensions of such patents including all of our rights under the International Convention, and further including the right to sue, counterclaim and recover for past, present and future infringement of the rights assigned or to be assigned, as fully and entirely as the same would have been held by the Assignor if this assignment had not been made.

Upon said consideration Assignor does hereby covenant and agree with the said Assignee, its successors and assigns, that Assignor will not execute in writing or do any act whatsoever conflicting with these presents, and that Assignor or its executors or administrators will at any time upon request, without further or additional consideration, but at the expense of the said Assignee, its successors and assigns, execute such additional writings and do such additional acts as said Assignee, its successors and assigns, may deem necessary or desirable to perfect the Assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, reissued or extended Letters Patent of the United States, or of any and all foreign countries on said invention, and in enforcing any rights occurring as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents.
