ASSIGNMENT OF INTELLECTUAL PROPERTY

WHEREAS, Homer TLC, LLC, a limited liability company of Delaware having a business address of 301 N. Market Street, Farmers Bank Building, Suite 1424, Wilmington, DELAWARE 19801, USA (“Assignor”), owns the Intellectual Property (as defined below), and wishes to assign, transfer and convey any and all rights to the Intellectual Property; and

WHEREAS, Home Depot Product Authority, LLC, a limited liability company of Georgia having an address of 2455 Paces Ferry Road Northeast, Atlanta GA, 30339, USA (“Assignee”), desires to acquire any and all rights to the Intellectual Property;

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties have entered into this Assignment as of the Effective Date set forth below.

1. Effective Date

“**Effective Date**” means 8:14 a.m. Eastern Standard Time on January 31, 2016, but in no event prior to the effectiveness of the transactions described in Step 12 of the version of The Home Depot, Inc. Buy-Sell Restructuring Micro Step Plan in effect as of the Effective Date.

2. Definition of Intellectual Property

“**Intellectual Property**” means any and all proprietary rights owned by Assignor throughout the United States and its territories and possessions. Such rights include: (a) patents, patent applications and registrations, inventions; (b) copyrights, copyright applications and registrations, moral rights, mask works and other works of authorship, (c) trademarks, trademark applications and registrations, trade names, service marks, domain names and similar rights, (d) trade secrets, (e) all other intellectual and industrial property rights of every kind and nature, and however designated, including processes, formulae, industrial models, designs and design information, product information, specifications, data, technology, methodologies, routines, techniques, engineering information, engineering work papers and notes, computer programs (including all source codes and documentation), object codes, designs, algorithms, libraries of software, logos, and any other confidential and proprietary right or information, whether arising by operation of law, contract, license or otherwise, and whether or not subject to statutory registration, (f) all

related technical information and technical drawings, know-how, and the right to sue for past infringement, if any, in connection with any of the foregoing, (g) all registrations, initial applications, renewals, extensions, continuations, continuations-in-part, divisions or reissues hereof now or hereafter in force (including any rights in any of the foregoing), and (h) all associated goodwill, including without limitation the items described in Schedules A through D attached hereto.

3. Assignment

Assignor hereby assigns to Assignee (i) all of Assignor's right, title, and interest in and to the Intellectual Property, together with any and all goodwill associated therewith; (ii) any and all legal actions and rights and remedies at law or in equity for past, current and future infringements, misappropriations, dilutions or other violations of the Intellectual Property, including the right to sue for, collect, and retain all damages, profits, proceeds, and all other remedies associated therewith; and (iii) any and all income, royalties, damages, and payments now or hereafter due or payable with respect to the Intellectual Property, for Assignee's own use and enjoyment and for the use and enjoyment of Assignee's successors, assigns, or other legal representatives as fully and entirely as the same would have been enjoyed by Assignor if this Assignment had not been made.

4. Assistance by Assignor

Upon reasonable request by Assignee, Assignor will, at the cost and expense of Assignee, execute and deliver additional documents and take other action as may be necessary or desirable to record or memorialize the assignments of the Intellectual Property set forth herein, and to vest in Assignee such right, title, and interest in and to the Intellectual Property as granted to Assignee.

SIGNATURES ON FOLLOWING PAGE

IN WITNESS WHEREOF, the undersigned, being duly authorized and acting on behalf of Assignor and Assignee, do hereby execute this Assignment to take effect as of the Effective Date.
