WHEREAS, the **North Carolina Department of Transportation**, an agency of the State of North Carolina, having a principal place of business at 1 South Wilmington Street, Raleigh, North Carolina, 27601, hereinafter referred to as assignee, already has a right under law to said invention as my employer during the time when the invention was created and that the invention was created using both materials owned by the assignee and during time for which I was being paid by assignee, is, in an abundance of caution, desirous of acquiring my entire right, title, and interest in and to said invention as described in said provisional application and said non-provisional application (hereinafter, "the Patent Applications"), and in and to any and all Letters Patent which shall be granted therefor in the United States of America and all foreign countries;

NOW, THEREFORE, To Whom It May Concern, be it known that for good and valuable consideration in the form of ONE-HUNDRED AND 00/100 USD (\$100.00), the receipt and sufficiency of which is hereby acknowledged, I have sold and by these presents do hereby sell, assign, transfer, and convey unto the said assignee, its successors and assigns, my entire right, title, and interest in and to the said invention and the Patent Applications, and in and to any and all subsequent patent applications which claim the benefit of priority from one or both of the Patent Applications including regular utility, continuations, and continuations-in-part, or divisions thereof, and in and to any and all Letters Patent of the United States of America and all foreign countries or reissues or other forms of protection thereof which may be granted for the invention in or on applications claiming the benefit of priority from one or both of the Patent Applications, for the full end of the term for which said Letters Patent may be granted along with any term extensions thereof or therefor, together with the right to claim

the benefit of priority from the Patent Applications in all foreign countries in accordance with the International Convention, the same to be held and enjoyed by said assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by me if this assignment and sale had not been made.
