We additionally authorize BONA, its successors, assigns, nominees or legal representatives to file applications in the name of the named inventors for Letters Patents in any country, to be held and enjoyed by BONA, its successors, assigns, nominees or legal representatives, to the full end of the term or terms for which said Letters Patents respectively may be granted, reissued or extended, as fully and entirely as the same would have been held and enjoyed by us had this assignment, sale and transfer not been made;

To make all rightful oaths and declarations, and generally to do everything possible to aid BONA, its successors, assigns, nominees and legal representation to obtain and enforce, for its own behalf, proper patent protection for said invention(s) or improvement(s) in any and all countries;

AND we hereby authorize and request the Commissioner of Patents and Trademarks of the United States and any official of any country or countries foreign to the United States whose duty it is to issue patents on applications as aforesaid, to issue to BONA, as assignee of our entire right, title and interest in any and all Letters Patents for said invention(s) or improvement(s), including any and all Letters Patents of the United States which may be issued and granted on or as a result of the application aforesaid, in accordance with the terms of this assignment.
