DECLARATION AND ASSIGNMENT

This combined Declaration and Assignment is in relation to the patent application entitled COMPACT GASIFIER-GENSET ARCHITECTURE attorney docket APWR-P02-US which was filed on 15-MAR-2013 and given application number 13/833,918.

As the below named inventor, I hereby declare that:

- I have reviewed and understand the contents and the claims of the patent application.
- I acknowledge the duty to disclose all information known to me to be material to the patentability of the claims of the patent application.
- I believe that I am the original inventor, or an original joint inventor, of a claimed invention in the patent application.
- The patent application was made or authorized to be made by me.

I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than (5) years, or both.

WHEREAS, All Power Labs, Inc. ("the assignee"), a state of Delaware corporation located at 1010 Murray Street, Berkeley, California 94710 is desirous of acquiring an exclusive right to the claimed invention.

For valuable consideration that I acknowledge, I hereby sell and assign to the assignee the full and exclusive right and title to the invention, to all patent applications for the invention in the United States and in all other countries, and to all patents issued on the invention in the United States and in all other countries; and I hereby request the Director of the United States Patent and Trademark Office to issue all patents on the invention to the assignee.
