SECOND CONFIRMATORY ASSIGNMENT

WHEREAS, I, **Stephen Sweeney** ("Assignor") of **Calle Catamaran 3, 3*1, 28042, Madrid**, invented certain new and useful improvements as described in an application titled

"Method and system for generating minimal cut-sets for highly integrated large systems"

which is subject to a European Patent Application. No. 15382581.5 filed on the 24th November 2015; and

WHEREAS, **THE BOEING COMPANY** ("Assignee")

a corporation organized and existing under the laws of **Delaware, United States of America** and having offices at **100 North Riverside Plaza, Chicago, Illinois, 60606-1596, United States of America**.

The Assignee has acquired the entire right, title and interest in and to the invention, the application, and any and all Letters Patent or similar legal protection, foreign or domestic, including any U.S. patent applications, continuation applications or divisional applications claiming priority directly or indirectly from the aforesaid application, to be obtained therefor;

NOW, THEREFORE, I acknowledge that for good and valuable consideration, the receipt whereby is acknowledged, my entire right, title, and interest in and to the invention, the above-identified application, all corresponding domestic and all foreign applications, all Letters Patents or similar legal protection issuing thereon, including any U.S. patent applications, continuation applications or divisional applications claiming priority directly or indirectly from the aforesaid application, and all rights and benefits under any applicable treaty or convention have been transferred to the Assignee, its successors and assigns, and I authorize the Commissioner of Patents and Trademarks of the United States or foreign

equivalent thereof to issue the Letters Patent of similar legal protection to the Assignee.

I acknowledge the right of the Assignee, its successors and assigns, or anyone it may properly designate, to apply for Letters Patent or similar legal protection, in its own name if desired, in any and all foreign countries.

I represent to the Assignee, its successors and assigns, that I have not and shall not execute any writing or do any act whatsoever conflicting with this Assignment. I, my executors or administrators, will at any time upon request, without additional consideration, but at the expense of the Assignee, its successors and assigns, execute such additional writings and do such additional acts as the Assignee, its successors and assigns, may deem desirable to perfect its enjoyment of this grant, and render all assistance in making application for and obtaining, maintaining, and enforcing the Letters Patent or similar legal protection on the invention in any and all countries.
