ASSIGNMENT

WHEREAS, ORISHA HOLDINGS, L.L.C., a limited liability company created and existing under and by virtue of the laws of the State of Texas, United States of America, is the current owner ("Owner") of **UNIFIED SERVICES PLATFORM USING A TELEPHONE NUMBER AS A COMMON SUBSCRIBER IDENTIFIER**, and of International Patent Application No. PCT/US14/59959 filed on October 9, 2014 (collectively the "Invention"); and;

WHEREAS, AQUIFER INNOVATIONS, LLC, a limited liability company created and existing under and by virtue of the laws of the State of Texas, United States of America, is desirous of acquiring the entire right, title and interest in and to the aforesaid Invention throughout the world, and all right, title and interest in, to and under any and all Letters Patent of the United States and all other countries throughout the world;

IN CONSIDERATION OF one dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Owner hereby sells, assigns, transfers and sets over to AQUIFER INNOVATIONS, LLC, **effective as of July 29, 2015**, all right, title and interest in and to the said Invention throughout the world, including said International Patent Application No. PCT/US14/59959 as well as any and all other applications for said Invention, including divisional, continuation, continuation-in-part, provisional, non-provisional, regular, renewal, reissue applications, extensions, national stage applications, and the like and any and all Letters Patent of the United States and foreign countries which may be granted therefor, and all international rights of priority associated with said Invention, applications, patents and like protection, the same to be held and enjoyed by AQUIFER INNOVATIONS, LLC, for its own use and benefit, and for the use and benefit of its successors, assigns, or other legal representatives, to the end of the term or terms for which said Letters Patent of the United States or foreign countries are or may be granted or reissued, as fully and entirely as the same would have been held and enjoyed if this assignment and sale had not been made.

And Owner hereby authorizes and requests the Commissioner of Patents and Trademarks to issue any and all Letters Patent of the United States on said Invention or resulting from said application and from any and all divisions, continuations, and reissues thereof, to AQUIFER INNOVATIONS, LLC, as assignee of Owner's entire interest, and hereby covenant that the Owner has the full right to convey the entire interest herein assigned, and that the Owner has not executed and will not execute any agreement in conflict herewith.

Owner further hereby covenants and agrees that it will, at any time, upon request, execute and deliver any and all papers that may be necessary or desirable to perfect the title of said Invention and to such Letters Patent as may be granted therefor, to AQUIFER INNOVATIONS, LLC, its successors, assigns, or other legal representatives and that if AQUIFER INNOVATIONS, LLC, its successors, assigns or other legal representatives shall desire to file any divisional or continuation applications or to secure a reissue of such Letters Patent, or to file a disclaimer relating thereto, Owner will, upon request, sign all papers, make all rightful oaths and do all lawful acts requisite for the filing of such divisional or continuation application, or such application for reissue and the procuring thereof, and for the filing of such disclaimer, without further compensation but at the expense of said assignee, its successors, or other legal representatives.

Further, the Owner covenants and agrees that it will, at any time upon request, communicate to AQUIFER INNOVATIONS, LLC, its successors, assigns or other legal representatives, such facts relating to said Invention and Letters Patent or the file history thereof as may be known to Owner, and testify as to the same in any interference or other litigation when requested so to do, without further compensation but at the expense of said assignee, its successors, or other legal representatives.
