ASSIGNMENT OF PATENT APPLICATIONS

Date: May 13, 2014

Assignor: H. Kenneth Staffin
Address: 36 Avalon Drive
Colonia, NJ 07067

Assignee: Procedyne Corp.
Address: 11 Industrial Drive
New Brunswick, NJ 08901

If there is more than one Assignor or Assignee, the words "Assignor" and "Assignee" shall include them.

This assignment relates to a United States provisional application, Serial Number 61/623,095 filed on May 14, 2013, and entitled **FLUID BED TECHNOLOGY TO ENHANCE SECURITY** ("the Provisional Application") and to a United States patent application and an international PCT patent application that each claim priority to the Provisional Application and are entitled **TEAR GAS ENHANCED FLUIDIZED BED SECURITY SYSTEM AND METHOD**.

These patent applications are collectively called "the Patent Applications."

Assignor has received Ten Dollars (\$10.00) and other good and valuable consideration for this assignment of the Patent Applications.

Assignor assigns to Assignee all of Assignor's right, title and interest in the Patent Applications, the invention(s) described and claimed in the Patent Applications, and all patents that may issue based on the inventions and on the Patent Applications in the United States and in every foreign country, including without limitation, all continuations, continuations-in-part, divisional applications, reissues and reexaminations. Assignor also assigns to Assignee all priority rights in the Patent Applications.

In those countries where permitted, the Assignor authorizes the Assignee to apply for patents for the invention directly in Assignee's name. Assignor authorizes the Commissioner of Patents and Trademarks or other governmental authority to issue all patents for the invention directly to Assignee.

Assignor states that Assignor has the right to grant to Assignee the rights which are assigned by this assignment. Assignor will sign any additional documents as may be needed to carry out the purpose of this assignment.

This assignment is binding on all parties who lawfully succeed to the rights of or take the place of Assignor or Assignee.

The undersigned hereby grant(s) to the firm of Stern & Schurin LLP, 410 E. Jericho Tpke., Mineola, New York 11501, the power to insert on this assignment any further identification of, or information pertaining to, the Patent Applications, and/or to correct any clerical error in such identification or information, which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office concerning recordation of this document.

The effective date of this assignment is the date at the top of this assignment.
