Intellectual Property. All of the intellectual property used by Seller in connection with the operation of the Business other than the Excluded IP (as defined below), including, without limitation, the following: (i) all copyrighted works and registrations therefor (including the existing software and source code used in connection with the Business); (ii) all patents and applications therefor; and (iii) all confidential or proprietary processes, formulas, trade secrets, know-how and technical and other similar information, including, without limitation, algorithms, formulae, protocols, software code (in any format, including source code and executable formats), software documentation, books and reports, marketing and advertising content, audiovisual works, websites, system architectures and configurations, database schemas, non-public data, and all electronic and digital records or any kind (the "Intellectual Property"), together with the goodwill related thereto, any royalty income therefrom accruing after the Effective Time (as defined below) and all Intellectual Property Rights covered by or embodied by the Intellectual Property. As used herein, "Intellectual Property Rights" means the exclusive rights held by the owner of Intellectual Property, including (i) the rights to copy, public perform, public display, distribute, adapt, translate, modify and create derivative works of copyrighted subject matter; (ii) the rights to use, make, have made, sell, offer to sell, and import patented subject matter and to practice patented methods; and (iii) the rights to apply for any of the foregoing rights, and all rights in those applications. Intellectual Property Rights also include any and all rights associated with particular information that are granted by law and that give the owner, independent of contract, exclusive authority to control use or disclosure of the information, including privacy rights and any rights in databases recognized by applicable law.
