ASSIGNMENT

THIS ASSIGNMENT, by **Robert C. Lenney**, a citizen of the United States, residing at 1555 Ridgemore Dr., Meadow Vista, California, 95722 (hereinafter referred to as the assignor(s)), respectively, witnesseth:

WHEREAS, said assignor(s) has invented certain new and useful improvements for **GUTTER GUARD EXTENSION**, set forth in an application for Letters Patent of the United States bearing Serial No. 15/410,661, filed January 19, 2017 (hereinafter, "the Patent").

WHEREAS, GutterGlove, Inc., a corporation, and having its principal place of business at 4021 Alvis Court, Suite 5, Rocklin, California 95677, (hereinafter referred to as the assignee) is desirous of acquiring the entire right, title and interest in and to said inventions and the Patents, and in and to any Letters Patent or Patents, United States or foreign, to be obtained therefor and thereon:

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, said assignor(s) has sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over, unto said assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to the above-mentioned inventions, and the Patents, and any and all patents in the United States of America and all foreign countries which may be granted therefor and thereon, and in and to any and all divisions, continuations and continuations-in-part of said application, or reissues or extensions of said Patents, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by said assignee, for its own use and the use of its successors, legal representatives and assigns, to the full end of the term or terms for which patents may be granted, as fully and entirely as the same would have been held and enjoyed by the assignor(s), had this sale and assignment not been made.

AND for the same consideration, said assignor(s) hereby covenants and agrees to and with said assignee its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, said assignor(s) is the sole and lawful owners of the entire right, title and interest in and to said inventions and the Patents above-mentioned, and that the same are unencumbered and that said assignor(s) has good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, said assignor(s) hereby covenants and agrees to and with said assignee, its successors, legal representatives and assigns, that said assignor(s) will, whenever counsel of said assignee, or the counsel of its successor, legal representatives and assigns, shall advise that any proceeding in connection with said inventions, or said Patents, or any proceeding in connection with patents or inventions in any country, including interference proceedings, is lawful and desirable, or that any division, continuation or continuation-in-part of any Patent or any reissue or extension of any patents, to be obtained thereon, is lawful and desirable, sign all papers and documents, take all lawful oaths, and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of patents for said inventions, without charge to said assignee, its successors, legal representatives and assigns, but at the cost and expense of said assignee, its successors, legal representatives and assigns.

AND said assignor(s) hereby requests the Commissioner of Patents to issue said Letters Patent of the United States to said assignee as the assignee of said inventions and the Letters Patent to be issued thereon for the sole use of said assignee, its successors, legal representatives and assigns.
