**ASSIGNMENT**

WHEREAS, **RORY P. WEHRLIE**, hereinafter referred to as **ASSIGNOR**, has invented a new and unobvious invention entitled:

**GRILL BRUSH PAD**

for which application for Design Patent of the United States such application being identified by having been granted Application No. 29/592,895, a filing date of February 3, 2017; and

I HEREBY AUTHORIZE the Assignee to insert in this assignment document the filing date and application number of the application if the date and number are unavailable at the time this document is executed.

WHEREAS, **THE CLOROX COMPANY**, a Delaware corporation having a place of business at Oakland, California, hereinafter referred to as **ASSIGNEE**, is desirous of acquiring the entire right, title and interest in and to said application and said invention, in and to any and all improvements relating to said invention, and in and to Design Patent thereon, when granted in the United States and all foreign countries; and

WHEREAS, **ASSIGNOR** acknowledges that pursuant to his/her employment agreements and the terms of this instrument, they are under a continuing obligation to assign all right, title and interest in, to and under the invention which is the subject of the referred-to application for Design Patent and any improvements thereof and all divisions, continuations and continuations-in-part thereof, to **THE CLOROX COMPANY**, its successors, legal representatives and assigns in accordance with this instrument;

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) and for other good and valuable consideration received by **ASSIGNOR** from **ASSIGNEE**, the receipt of which is hereby acknowledged by **ASSIGNOR**:

1. **ASSIGNOR** hereby sells, assigns, transfers and conveys unto **ASSIGNEE**, the entire right, title and interest in and to said application and said invention and improvements; including all priority rights under the International Convention associated with the filing of said application, for each country of the Union; and in and to any and all Design Patent on said invention and improvements that may be granted by the United States or any foreign countries, including each and every Design Patent granted on any application which is a division, substitution, continuation or continuation-in-part of any application relating to said invention or improvements, and in and to each and every reissue or extension of said Design Patent.

2. **ASSIGNOR** hereby warrants, covenants and represents the fact to be that he/she has not theretofore granted any license, right or privilege in respect to the said application or said invention or improvements, or in any other way encumbered the same, and that they have the full right to convey, free

of all licenses and encumbrances, the entire interest hereby assigned.

3. ASSIGNOR covenants and agrees that at the request and expense of ASSIGNEE he/she will promptly execute all papers necessary or desirable to perfect ownership of said invention, improvements, applications or said Design Patent in ASSIGNEE, and execute all oaths and other papers necessary or desirable for prosecuting said application, for use in interference proceedings involving said invention or improvements, for refiling said applications, for filing of said divisional, substitution, continuation or continuation-in-part applications covering said invention or improvements which are deemed necessary or desirable by ASSIGNEE, for reissuance of said Design Patent, or for the filing of foreign countries of applications for Design Patent conferring said invention or improvements.

ASSIGNOR further covenants and agrees that at the expense and request of ASSIGNEE he/she will promptly assist ASSIGNEE in interference proceedings involving said invention or improvements, and in litigation involving said Design Patent, and will assist in the ascertainment of facts and the production of evidence relating to said invention or improvements.

4. The terms, covenants and provisions of this assignment shall inure to the benefit of ASSIGNEE, its successors, assigns and other, legal representatives, and shall be binding upon ASSIGNOR, his/her heirs, legal representatives and assigns.

5. ASSIGNOR hereby authorizes and requests the COMMISSIONER OF PATENTS AND TRADEMARK to issue the United States Design Patent on their invention, when granted, unto
