**AMENDMENT NUMBER ONE TO GRANT OF SECURITY INTEREST IN  
PATENT RIGHTS**

This **AMENDMENT NUMBER ONE TO GRANT OF SECURITY INTEREST IN PATENT RIGHTS**, dated as of February 2, 2017 (this "Amendment"), is delivered pursuant to that certain Grant of Security Interest in Patent Rights, dated as of February 11, 2014 (the "Patent Security Agreement"), among Grantors listed on the signature pages thereof (collectively, jointly and severally, "Grantors" and each individually "Grantor"), and **WELLS FARGO BANK, NATIONAL ASSOCIATION**, as collateral agent for the several banks and other financial institutions from time to time parties to the Credit Agreement (in such capacity, together with its successors and assigns in such capacity, "Collateral Agent"). Capitalized terms used herein and not otherwise defined shall have the meanings set forth in the Patent Security Agreement, which by this reference is incorporated herein.

WHEREAS, Grantors and Collateral Agent are parties to that certain Grant of Security Interest in Patent Rights, dated as of February 11, 2014 and recorded with the United States Patent and Trademark Office on February 21, 2014 at Reel 032308, Frame 0469; and

WHEREAS, Grantors and Collateral Agent wish to amend the Patent Security Agreement by (i) joining Sumner Manufacturing Company, LLC, a Delaware limited liability company ("New Grantor") and (ii) amending Schedule A to the Patent Security Agreement to add certain Patents to the Collateral, and Grantors and Collateral Agent have agreed to do so.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree to amend the Patent Security Agreement as follows:

1. (a) New Grantor hereby acknowledges, agrees and confirms that, by its execution of this Amendment, New Grantor will be deemed to be a party to the Patent Security Agreement and a "Grantor" for all purposes under the Patent Security Agreement, as if it had executed the Patent Agreement and the other Loan Documents and that it has read and understands the terms thereof. Each reference to a "Grantor" in the Patent Security Agreement shall be deemed to include each New Grantor.

(b) In furtherance of the foregoing, New Grantor does hereby unconditionally grant, assign, and pledge to Collateral Agent, for the benefit of the Secured Parties as collateral security for payment and performance when due of the Obligations, a continuing security interest in all of such New Grantor's right, title and interest in, to and under the Collateral.

2. Grantors and Collateral Agent hereby agree that Schedule A to the Patent Security Agreement is hereby amended by adding the Collateral listed on Exhibit A attached hereto (the "Additional Patent Collateral"), which such Additional Patent Collateral shall be and become part of the Collateral referred to in the Patent Security Agreement and Schedule A attached thereto and shall secure all Secured Obligations.

3. Grantors hereby: (a) reaffirm all prior grants of security interests in favor of Collateral Agent in all of Grantors' right, title, and interest in, to, and under the Collateral identified on Schedule A to the Patent Security Agreement prior to the effectiveness of this Amendment; (b) grants, assigns, and pledges to Collateral Agent, for the benefit of the Secured Parties, a continuing security interest in all of Grantors' right, title, and interest in, to, and under the Additional Patent Collateral identified on Exhibit A attached hereto; (c) represent and warrant that the representations and warranties in the Patent Security Agreement, as amended by the Amendment, are true and correct in all material respects on and as of the

date hereof, as though made on such date; and (d) agree that the Patent Security Agreement as amended hereby is and shall remain in full force and effect.

4. THE VALIDITY OF THIS AMENDMENT, THE CONSTRUCTION, INTERPRETATION, AND ENFORCEMENT HEREOF, AND THE RIGHTS OF THE PARTIES HERETO WITH RESPECT TO ALL MATTERS ARISING HEREUNDER OR RELATED HERETO SHALL BE DETERMINED UNDER, GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK.

5. This Amendment is a Loan Document. This Amendment may be executed in any number of counterparts and by different parties on separate counterparts, each of which, when executed and delivered, shall be deemed to be an original, and all of which, when taken together, shall constitute but one and the same Amendment. Delivery of an executed counterpart of this Amendment by telefacsimile or other electronic method of transmission shall be equally as effective as delivery of an original executed counterpart of this Amendment. Any party delivering an executed counterpart of this Amendment by telefacsimile or other electronic method of transmission also shall deliver an original executed counterpart of this Amendment but the failure to deliver an original executed counterpart shall not affect the validity, enforceability, and binding effect of this Amendment.

[SIGNATURE PAGES TO FOLLOW]

IN WITNESS WHEREOF, the undersigned parties hereto have executed this Amendment by and through their duly authorized officers, as of the day and year first above written.

**NEW GRANTOR:**

**SUMNER MANUFACTURING COMPANY, LLC, a**  
Delaware limited liability company

By:
