### ASSIGNMENT

I, Aaron S. Davidson, 300 4<sup>th</sup> Street, Burlington, Wyoming 82411, have invented a method and apparatus, hereinafter called the "invention."

Preferred embodiments of said invention are disclosed in the patent and applications identified in Schedule A attached hereto.

The Assignee, Huskemaw Optics, LLC, a limited liability company of the State of Wyoming, having a principal place of business at 115 West Yellowstone, Cody, Wyoming 82414, desires to secure the entire right, title and interest in said invention and said applications.

Therefore, for good and valuable consideration, the receipt, sufficiency and adequacy of which is hereby acknowledged, I HEREBY ASSIGN TO THE ASSIGNEE:

The entire right, title and interest in said invention and in the United States and foreign patents and patent applications and in all divisions, continuations and continuations-in-part of said application, or reissues, reexaminations or extensions of Letters Patent or Patents granted thereon, and in all corresponding applications filed in countries foreign to the United States, and in all patents issuing thereon in the United States and Foreign countries.

The right to file foreign patent applications on said invention in its own name, wherever such right may be legally exercised, including the right to claim the benefits of the International Convention for such application.

I hereby authorize and request the United States Commissioner of Patents and Trademarks, and such Patent Office officials in foreign countries as are duly authorized by their patent laws to issue patents, to issue any and all patents on said invention to the Assignee as the owner of the entire interest, for the sole use and behalf of the said Assignee, its successors, assigns and legal representatives.

Our Ref. No.: G1135.0

I hereby agree, without further consideration and without expense to me, to sign all lawful papers and to perform all other lawful acts which the Assignee may request of me to make this Assignment fully effective, including, by way of example but not of limitation, the following:

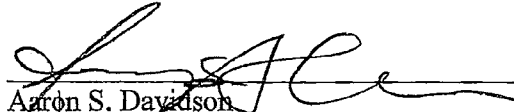

Prompt execution of all original, divisional, substitute, reissue, and other United States and foreign patent applications on said invention, and all lawful documents requested by the Assignee to further the prosecution of any of such patent applications.

Cooperation to the best of my ability in the execution of all lawful documents, the production of evidence, nullification, reissue, extension, or infringement proceedings involving said invention.

This assignment and agreement shall be binding upon my heirs and legal representatives.

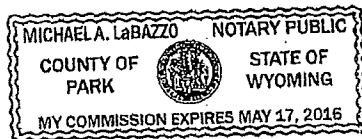

Our Ref. No.: G1135.0

DATED this 29 day of October, 2012.

  
Aaron S. Davidson

STATE OF WYOMING     )
