## Combined Declaration and Assignment for Utility Patent and Design Patent Applications

### DECLARATION

As a below named inventor, I/we hereby declare that this declaration is directed to:

Insert Title:

DISPLAY SCREEN OR PORTION THEREOF WITH GRAPHICAL USER  
INTERFACE

the application of which is attached hereto unless the following is checked

☒ was filed on 20 DEC 2016 as United States Application Number or PCT International Application  
Number 29588401 and was amended on N/A (if applicable).

The above-identified application was made or authorized to be made by me.

I believe that I am the original inventor or an original joint inventor of a claimed invention in the  
application.

I hereby acknowledge that any willful false statement made in this declaration is punishable under section  
1001 of title 18 by fine or imprisonment of not more than 5 years, or both.

### ASSIGNMENT

☒ Check this box to assign this invention.

WHEREAS, the undersigned inventor or undersigned joint inventors (hereinafter "Assignor"), having  
invented the above-named invention;

WHEREAS, AGCO Corporation, ("Assignee") a Delaware corporation having an address of 4205 River  
Green Parkway, Duluth, Georgia 30096, desires to acquire all right, title, and interest in and to the above-  
named invention, and in and to the said application and any Letters Patent that may issue thereon;

NOW, THEREFORE, for and in consideration of One United States Dollar (\$1.00) and other good and  
valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor assigns to  
Assignee, all right, title and interest in and to said invention and in and to said application and all patents  
which may be granted therefore, and all divisions, reissues, continuations, continuations-in-part and  
extensions thereof; and Assignor hereby authorizes and requests the Commissioner of Patents and  
Trademarks to issue all patents for said invention, or patents resulting therefrom, insofar as my interest is  
concerned, to Assignee.

Assignor also assigns to Assignee, all right title and interest to the invention disclosed in said application  
throughout the world, including the right to file applications and obtain patents, utility models, industrial  
models and designs for said invention in its own name throughout the world including all rights to publish  
cautionary notices reserving ownership of said invention and all rights to register said invention in  
appropriate registries; and Assignor further agrees to execute any and all powers of attorney,  
applications, assignments, declarations, affidavits, and any other papers in connection therewith  
necessary to perfect such right, title and interest in Assignee.

Assignor will communicate to Assignee any facts known to me respecting any improvements; and, at the expense of Assignee, Assignor will testify in any legal proceedings, sign all lawful papers execute all divisional, continuation, continuation-in-part, reissue and substitute applications, make lawful oaths and declarations, and generally do everything possible to vest title in Assignee and to aid Assignee to obtain and enforce proper protection for said invention in all countries.

This Assignment shall be binding on the parties' successors, assigns and legal representatives. Assignor authorizes Assignee or its agents to insert, on Assignor's behalf, the filing date and/or serial number above pertaining to the utility application and/or the provisional application, if not known as of the date of execution of this document.

The undersigned warrants that the rights and property herein conveyed are free and clear of any encumbrance.

AND this Assignment may be executed in multiple counterparts, each of which shall be deemed to be an original of this Assignment. Additionally, the undersigned hereby authorizes our attorneys to collect the signature pages of each executed counterpart and to attach those signature pages to a single copy of this instrument, which single copy and attached signature pages together shall constitute an original of this Assignment.

Hereby executed by the undersigned on the date opposite the undersigned name:
