ASSIGNMENT

Assignor, **Thermowave Technologies, Inc.**, a Massachusetts corporation, having a principal place of business at 12 Garden Street, Danvers, Massachusetts 01923, which is an owner by assignment from Inventor Bruce Secovich of his entire right, title and interest in and to the invention of himself and co-inventor, Paul Grillo, in

**ORGANIC WASTE DIGESTER SYSTEM**

and the United States patent application filed therefor, Application No. 62/033,437, filed on August 5, 2014, Attorney Docket No. 98509, hereby sells, assigns, and transfers, to **Green Waste Stream, LLC**, Assignee, a New Hampshire limited liability company, having a principal place of business at 20 Portsmouth Avenue, Suite 106, Stratham, New Hampshire 03885, and its successors and assigns, its entire right, title and interest by assignment in and to said invention and said patent application and any other patent applications filed therefor worldwide, and such patents, reissues, reexaminations, and extensions thereof which issue in any country upon said patent applications, which correspond with or claim priority from said applications, or any divisional, continuation, or continuation-in-part thereof, including the right to claim priority from said applications and the right to sue and collect for past infringement; the same to be held and enjoyed by Assignee for its own use, and for the use of its legal representatives, to the full term for which such patents are entitled, as fully and entirely as the same would have been held by Assignor had this assignment not been made.

Assignor hereby covenants that, at the time of execution, Assignor is the lawful owner by assignment of the entire right, title, and interest of Inventor Bruce Secovich in and to said invention and patent application, and that the same are unencumbered and that Assignor has good and full right and lawful authority to sell and convey the same in the manner herein set forth.

Assignor hereby further covenants and agrees that it will not execute any writing or do any act whatsoever conflicting with this agreement, and that Assignor, its successors and assigns, shall at any time upon request without further additional consideration, but at the expense of Assignee, its successors and assigns, execute such additional writings and do such additional acts as Assignee, its successors and assigns, may determine as necessary or desirable in the enjoyment of this grant, and in any proceedings or transactions involving such inventions, patent applications or patents.
