ASSIGNMENT

Pursuant to my obligation to Robert Bosch GmbH (hereinafter referred to as "Assignee"),  
a German corporation having a mailing address at:

and for other valuable and sufficient consideration, receipt whereof is hereby acknowledged, I:

Andre Ullrich

confirm my obligation to and hereby sell, assign and convey, unto Assignee, its successors and  
assigns, except as set forth below, my entire right, title and interest -

(1) in and to an invention entitled "Vacuuming-Off Device" for which I have executed a  
United States patent application, said United States application being assigned U.S. Serial No.

No. 10 2015 226 021.6, filed on December 18, 2015;

(2) in and to said United States patent application, in and to all other patent applications  
(including divisional, continuation, continuation-in-part, §111(b) provisional, §111(a), reissue  
applications, and international patent applications designating the United States) based upon said  
invention, and in and to the patent or patents to be granted thereon, including reissues thereof, if  
any, to the full end of the term or terms for which said patent or patents may be granted; and

(3) in and to all patent applications on said invention now or hereafter filed in countries  
foreign to the United States of America, including patent applications filed under the Patent  
Cooperation Treaty, the European Patent Convention or any other international treaty, and

including the right to claim priority of said United States application, and in and to any and all patents granted on said applications to the full end of the terms for which said patents may be granted.

I hereby agree that I will, upon demand of Assignee, its successors or assigns, and without further consideration to me, execute any and all papers that may be necessary, or deemed by Assignee, its successors or assigns, to be necessary, to a complete fulfillment of the intent and purposes of this Assignment, it being understood that any expense incident to the execution of such papers shall be paid by Assignee, its successors and assigns, and not by me.
