ASSIGNMENT OF PATENTS AND OTHER PROPRIETARY RIGHTS

This Assignment of Patents and Patent Applications (this "Assignment") is effective as of July 7, 2013, from Innolap Surgical Ltd., a private company organized under the laws of the State of Israel ("Seller"), to Teleflex Medical Incorporated, a California corporation, with its principle place of business located at 2917 Weck Drive, Research Triangle Park, NC 27709 ("Purchaser"). Capitalized terms not otherwise defined herein shall have the meaning assigned to them in the Purchase Agreement (as defined below).

WHEREAS, pursuant to the terms of a certain Asset Purchase Agreement dated as of May __, 2013 by and among the Seller, Purchaser, the Shareholders listed therein, the Escrow Agent and the Seller Representative (the "Purchase Agreement"), Seller has agreed to assign and transfer to Purchaser, among other things, certain patent applications and other intellectual property rights;

WHEREAS, in order to further effect the assignment and transfer of such patents, patent applications and other intellectual property rights, Purchaser has requested that Seller execute and deliver to it this Assignment;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged:

1. Subject to the terms of the Purchase Agreement, Seller agrees to and hereby does assign, sell, transfer, grant and convey to Purchaser, its successors and assigns (to be contemporaneously exported from Israel abroad at the Closing), free and clear of all Liens all of Seller's worldwide right, title and interest in and to all the Transferred IP, and all copies and tangible embodiments thereof in whatever form or medium, including but not limited to the Intellectual Property Rights listed in Exhibit A hereto, including all continuations, extensions and divisions thereof, and all rights to sue and recover damages for past, present and future infringement, dilution, misappropriation, violation, unlawful imitation or breach thereof.
2. Seller authorizes and requests the United States Patent and Trademark Office and/or head of any foreign patent office to issue all patent registrations which may issue on any applications for any Patents or applications thereof, including but not limited to the Intellectual Property Rights listed in Exhibit A, to Purchaser, its successors and assigns, in accordance with this Assignment.
3. Promptly upon the request of Purchaser, Seller shall, at any time prior to its dissolution, and at Purchaser's request, execute such documents and perform such actions as may be necessary to perfect the assignment of rights contained in this Assignment.
4. Nothing herein shall affect, or be deemed to affect, the representations, warranties, covenants, and indemnities contained in the Purchase Agreement.
