ASSIGNMENT

THIS ASSIGNMENT is made on the 29th day of August two thousand and fourteen

BETWEEN

- (1) Teknovation Ltd, Unit 4 Glenholme Park, Brunel Drive, Newark, Nottingham NG24 2EG ("the Assignor") AND
- (2) ShopATM BV (SARL) with registered address at Schottegatweg Oost, Unit 1Aa, Curacao, Netherlands Antilles, with chamber of commerce registration number 9773 and administrative offices at 9 Rue Ami Levrier, 1201 Geneva, Switzerland ("the Assignee").

BACKGROUND:

- (A) The Assignor is the beneficial owner of certain European and U.S.A. Patent Applications as detailed in Schedule I (the "Applications")
- (B) Furthermore the Assignor owns related know-how, intellectual property, design rights, and other confidential information facilitating the practical implementation of the Applications and IPR (the "Know-How").
- (C) The parties have agreed that the Assignor's rights in the Applications and in the Know-How should be transferred by the Assignor to the Assignee on the terms set out below.

IT IS AGREED that:-

- 1 In consideration of the sum of £100 and other considerations paid by the Assignee to the Assignor (the receipt of which is acknowledged) the Assignor ASSIGNS with full title guarantee absolutely and free from any licences, charges or other encumbrances:
 - a. all right, title and interest in and to the Applications (including any and all divisions, reissues, continuations and extensions of or from the Applications) to the intent that any patents granted pursuant to the Applications shall be in the name of and shall vest in the Assignee TOGETHER WITH all the rights and powers arising or accrued from the Applications including the right to

sue for damages and other remedies in respect of any infringement of such rights or other rights within the scope of the claims of any published specification accompanying the Applications prior to the date of this Assignment;

b. the right to apply for prosecute and obtain patent or similar protection throughout the world in respect of the inventions ("the Inventions") claimed in the Applications including the right to claim priority from the Applications to the intent that the resulting grant of any registered patents or similar protection shall be in the name of and vest in the Assignee; and

2. The Assignor agrees that at the request of the Assignee it will:

a. execute all such deeds and documents and do all such acts as may be necessary or desirable to secure the vesting in the Assignee of all rights assigned by clause 1 and to secure the registration of this Assignment at the European Patent Office and at national patent offices where applicable; and

b. Render all such assistance of which it is capable as may reasonably be required by the Assignee in connection with bringing or defending any proceedings relating to any of the rights assigned by clause 1 and prosecuting the Applications to grant.

3. All sums payable to the Assignor under this Assignment are exclusive of value added tax which shall where applicable be paid in addition at the rate in force at the due time for payment subject to the Assignor supplying a valid VAT invoice to the Assignee.

4. This Assignment and any dispute or claim arising out of or in connection with it shall be governed by and construed in accordance with Swiss law and the parties submit to the exclusive jurisdiction of the Swiss Courts in Geneva Switzerland.

IN WITNESS of these matters this Assignment has been executed as a deed and delivered on the date set out at the beginning of this Assignment
