ASSIGNMENT

WHEREAS WE, the below named inventors (hereinafter referred to as Assignors) have made a design entitled:

PHONE WITH GRAPHICAL USER INTERFACE

for which a US application was filed on 5 October, 2015 (US Application No. 29/541,567), claiming priority to a Chinese application No. 201530086758.7, filed on 3 April, 2015, and

WHEREAS, LUCIS TECHNOLOGIES (SHANGHAI) CO., LTD., a Chinese company whose address is Building No.6, No.67 East Caohejing Road, Xuhui District, Shanghai, China 200235 (hereinafter referred to as Assignee), is desirous of securing the entire right, title, and interest in and to this design in all countries throughout the world, and in and to all applications for United States Letters Patent on this design and the Letters Patent to be issued thereon;

NOW THEREFORE, be it known that, for good and valuable consideration the receipt of which from Assignee is hereby acknowledged, We, as Assignors, have sold, assigned, transferred, and set over, and do hereby sell, assign, transfer, and set over unto Assignee, its lawful successors and assigns, our entire right, title, and interest in and to this design, and these applications, and all national phase applications, divisions and continuations thereof, and all Letters Patent of the United States which may be granted thereon, and all reissues thereof, and all rights to claim priority in the United States and any other country on the basis of the above applications, and all applications for Letters Patent which may hereafter be filed for this design in the United States and any other country and all Letters Patent which may be granted on this design in the United States and any other country, and all extensions, renewals, and reissues thereof, and We hereby authorize and request the Commissioner of Patents and Trademarks of the United States and any official of any other country whose duty is to issue patents on applications as described above, to issue all Letters Patent for this design to Assignee, its successors and assigns, in accordance with the terms of this Assignment.

AND, WE HEREBY covenant that We have the full right to convey the interest assigned by this Assignment, and We have not executed and will not execute any agreement in conflict with this Assignment;

AND, WE HEREBY further covenant and agree that We will, without further consideration, communicate with Assignee, its successors and assigns, any facts known to us respecting this design, and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver any and all papers that may be necessary or desirable to perfect the title to this design in said Assignee, its successors or assigns, execute all national phase, divisional, continuation, and reissue applications, make all rightful oaths and generally do everything possible to aid Assignee, its successors and assigns, to obtain and enforce proper patent protection for this design in the United States and any other country, it being understood that any expense incident to the execution of such papers shall be borne by Assignee, its successors and assigns.

IN TESTIMONY WHEREOF, We have hereunto set our hands.
