ASSIGNMENT

---

3FORM, LLC., hereinafter referred to as "Assignor", a corporation of the State of Utah, having a principal place of business at 2300 South 2300 West, Suite B, Salt Lake City, Utah 84119, is the owner of the following invention and patent application, which discloses preferred embodiments of said invention:

Title: LIGHT FIXTURE JOINT WITH NOTCHED EDGE AND METHODS  
INCORPORATING THE SAME  
Serial Number: 15/076,852  
Filing Date: March 22, 2016  
Docket Number: 15999.551

HUNTER DOUGLAS INDUSTRIES SWITZERLAND GMBH, hereinafter referred to as "Assignee", a corporation duly organized and existing under the laws of Switzerland, having a principal place of business at Adligenswilerstrasse 37, 6006 Luzern, Switzerland, desires to secure the entire right, title, and interest outside of the United States of America and Canada in the above listed invention.

In consideration of One Dollar (\$1.00) and other good and valuable consideration paid to Assignor by the Assignee, the receipt and sufficiency of which is hereby acknowledged, ASSIGNOR HEREBY ASSIGNS TO THE ASSIGNEE:

The entire right, title and interest outside of the United States of America and Canada in the above-listed invention and patent application and in all divisions, continuations and continuations-in-part of the application, or reissues or extensions of Letters Patent or Patents granted thereon, and in all corresponding applications filed in countries foreign to the United States of America and Canada, and in all patents issuing thereon in countries foreign to the United States of America and Canada.

PATENT ASSIGNMENT

Docket: 15999.551

The right to file patent applications in countries foreign to the United States of America and Canada on the above-listed invention in its own name, wherever such right may be legally exercised, including the right to claim the benefits of the International Convention for such applications.

Assignor hereby authorizes and requests Patent Office officials in countries foreign to the United States of America and Canada, as are duly authorized by their patent laws, to issue any and all patents on the above-listed invention to Assignee as the owner of the entire interest, for the sole use of Assignee, its successors, assigns and legal representatives.

Assignor hereby agrees, without further consideration and without expense to it, to sign all lawful papers and to perform all other lawful acts which Assignee may request of us to make this Assignment fully effective, including, by way of example but not of limitation, the following:

Prompt execution of all original, divisional, substitute, reissue and other patent applications foreign to the United States and Canada on the above-listed inventions, and all lawful documents requested by Assignee to further the prosecution of any of such patent applications.

Cooperation to the best of its abilities in the execution of all lawful documents, the production of evidence, nullification, reissue, extension or infringement proceedings involving said invention.

This assignment and agreement shall be binding upon Assignor's heirs and legal representatives.
