A S S I G N M E N T

In consideration of good and valuable considerations, the receipt and sufficiency whereof are hereby acknowledged, the undersigned hereby assigns, sells and transfers to Once Innovations, Inc., a Minnesota corporation, having an address of 5455 Highway 169 N, Plymouth, MN 55442 its successors and assigns, sells and transfers the entire right, title and interest in the invention or improvements of the undersigned disclosed in US Serial No. 14/512706 application for Letters Patent filed October 13, 2014 entitled LIGHT SOURCES ADAPTED TO SPECTRAL SENSITIVITY OF DIURNAL AVIANS AND HUMANS, and in said application any and all other applications for United States Letters Patent, which the undersigned may file, either solely or jointly with others, on said invention or improvements, and in any and all Letters Patent, applications, and in any reissue or extension thereof, including but not limited to continuations, continuations-in-part, divisions, reissues, re-examinations or extensions thereof.

The undersigned hereby authorizes and requests the Commissioner of Patents to issue said Letters Patent to said Once Innovations, Inc.

For said considerations the undersigned hereby agree, upon the request, and at the expense of said assignee, its

successors and assigns, to execute any and all divisional, continuation, and substitute applications for said invention or improvements, and any necessary oath or affidavit relating thereto, and any application for the reissue or extension of any Letters Patent that may be granted upon said application, and for the said considerations the undersigned further agree upon the request of said assignee, its successors or assigns, in the event of any application or Letters Patent assigned herein becoming involved in interference, to cooperate to the best of the ability of the undersigned with said assignee, its successors or assigns in the matters of preparing and executing the preliminary statement and giving and producing evidence in support thereof, the undersigned hereby agreeing to perform, upon request, any and all affirmative acts to obtain said Letters Patent of the United States and vest all rights therein hereby conveying in the said assignee, its successors and assigns whereby said Letters Patent will be held and enjoyed by the said assignee, its successors and assigns to the full end of the term for which said Letters Patent may be granted as fully and entirely as the same would have been held and enjoyed by the undersigned if this assignment and sale had not been made.

And for said considerations the undersigned hereby assign to said assignee, its successors and assigns, the entire right, title and interest in said invention or

improvements for any and all foreign countries and agrees upon the request of assignee, its successors and assigns to execute any and all documents that undersigned shall be requested to execute in connection with any and all applications for foreign Letters Patent therefore, including the prosecution thereof, and to execute any and all documents necessary to vest title in said foreign applications and patents in assignee.

The attorneys of record are hereby authorized to insert on this instrument any further identification that may be necessary or desirable to comply with the recordation rules of any appropriate and competent authority, including, without limitation, the United States Patent and Trademark Office.
