ASSIGNMENT

WHEREAS, we, Benjamin S. Willis, Adam Abraham Jossem, Stephen John Minarsch, Dae Il Kwon, Francesca Alyssum Quaglia and Lea Martin (hereinafter referred to as ASSIGNORS), all having a mailing address of 3100 Airport Way South, #25-512, Seattle, WA 98134, are the joint inventors of a new, original and ornamental design for a multifunctional earphone attachment unit for which an application for United States patent was filed on December 5, 2016, and assigned Application No. 29/586,591;

WHEREAS, Human, Incorporated (hereinafter referred to as ASSIGNEE), a corporation of the State of Washington having a mailing address of 3100 Airport Way South, #25-512, Seattle, WA 98134, is desirous of acquiring the entire right, title and interest in and to the invention, the application and in and to any patents that may be granted therefor in the United States and in any and all foreign countries;

NOW, THEREFORE, in exchange for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, ASSIGNORS hereby sell, assign and transfer unto said ASSIGNEE, the entire right, title and interest in and to said invention, said application and any and all patents which may be granted for said invention in the United States of America and its territorial possessions including any extensions or adjustments in term thereof and in any and all foreign countries, and in any and all divisions, reissues and continuations thereof, including the right to file foreign applications directly in the name of ASSIGNEE and to claim priority rights deriving from said United States applications to which said foreign applications are entitled by virtue of international convention, treaty or otherwise, and including the right to sue and collect damages for past and present infringement of said patents; said invention, applications and all patents on said invention to be held and enjoyed by ASSIGNEE and its successors and assigns for their use and benefit and of their successors and assigns as fully and entirely as the same would have been held and enjoyed by ASSIGNORS had this assignment, transfer and sale not been made. ASSIGNORS hereby authorize and request the Commissioner of Patents and Trademarks to issue all patents on said invention to ASSIGNEE. ASSIGNORS agree to execute all instruments and documents required for the making and prosecution of applications for United States and foreign patents on said invention, for litigation regarding said patents, or for the purpose of protecting title to said invention or patents therefor.
