## ASSIGNMENT OF INTELLECTUAL PROPERTY

WHEREAS, I/We, the undersigned (hereafter individually/collectively "**Assignor**"), have invented/own certain new and useful methods, devices, and/or systems that are disclosed, taught, and/or claimed in the applications for patent/patents identified in **Exhibit A** of this Assignment (hereafter collectively "**Patents**");

WHEREAS, PICBags, L.P., 1600 River Oaks Boulevard, Suite 1140, Houston, Texas 77019, United States of America, is the owner by assignment of the **Patents** pursuant to a prior assignment executed on April 29, 2004 by Bruce A. Davidson;

WHEREAS, River Oaks Golf Management, Inc., 1600 River Oaks Boulevard, Suite 1140, Houston, Texas 77019, United States of America, is the sole General Partner of PICBags, L.P., and Bruce A. Davidson is the sole Limited Partner of PICBags, L.P.; and

WHEREAS, PICBags, LLC, 1375 Enclave Parkway, Houston, Texas 77077, United States of America (hereafter "**Assignee**"), is desirous of acquiring the entire and exclusive rights, title and interest in and to, and possession of, the subject matter disclosed and claimed in the **Patents**, including any tangible materials, know-how and trade secrets related thereto (hereafter collectively "**Invention**"); and the entire and exclusive rights, title, and interest in and to, and possession of, the **Patents**, including all rights to claim priority thereto, and to all related pending and future United States and/or foreign applications disclosing or claiming the **Invention** in whole or in part, including, without limitation, all provisional applications, non-provisional applications, divisional applications, continuation applications, continuation-in-part applications, renewals, reissues, reexaminations, substitutes and extensions thereof, and to all patents and other property rights that have and may be issued or granted thereon anywhere in the world (hereafter collectively "**Patent Rights**"); and the entire and exclusive rights, title, and interest in and to, and possession of, the designations "PICBAG" and "PICBAGS," including all common law rights, applications and registrations related thereto, and all renewals and extensions that may be granted thereon, together with all goodwill connected therewith (hereafter collectively "**Trademark Rights**," and collectively with **Patent Rights**, "**Intellectual Property**").

NOW, THEREFORE, for and in consideration of good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and to the extent not already assigned by **Assignor** to **Assignee** by prior written agreement, employment relationship or otherwise, **Assignor** has hereby assigned, transferred and conveyed, or hereby ratified such, and does hereby assign, transfer and convey, or does hereby ratify such, to **Assignee**, its successors and assigns, the entire and exclusive right, title and interest in and to, and possession and use of, the aforesaid **Intellectual Property**, throughout the world, including without limitation, the right to file and prosecute applications for patent and trademark in the name of **Assignee** and/or **Assignor**; all income, royalties, damages and payments now or hereafter due or payable with respect to any patent, trademark or other right that is based on the **Intellectual Property**; and in and to all causes of action (either in law or in equity), and the right to sue, counterclaim, and recover for past, present and future infringement of the rights assigned or to be assigned

hereunder, as fully and entirely as the same would have been held and enjoyed by **Assignor** if this transfer and assignment had not been made;

AND **Assignor** hereby authorizes and requests the appropriate governmental officials to issue any and all such United States or foreign country patent, trademark or related property rights assigned hereunder, to **Assignee**, as the owner of the entire and exclusive rights, title and interest in and to the same;

AND **Assignor** hereby represents, warrants and covenants that **Assignor** has the full right to convey the interest herein assigned, that **Assignor** has not executed and will not execute any agreement, instrument or assignment in conflict herewith, and that the rights assigned herein are not otherwise encumbered by any grant, license or right;

AND **Assignor** further covenants and agrees that **Assignor** will at any time upon request make, execute and deliver without further compensation, any and all other instruments in writing, including further applications, papers, affidavits, powers of attorney, assignments, and other documents, and do all lawful acts and things, which, in the opinion of counsel for **Assignee**, its successors and assigns, may in any country be required or necessary to more effectively secure to and vest in **Assignee**, its successors and assigns the **Intellectual Property**, and that **Assignor** will sign any applications for reissue, division, continuation, continuation-in-part, counterpart, renewal, reexamination, substitute or extension thereof or any resulting patent, trademark or other property rights;

AND **Assignor** further covenants and agrees that **Assignor** will at any time upon request communicate to **Assignee**, its successors, assigns or other legal representatives any facts relating to the aforesaid **Invention, Patents and Intellectual Property** known to **Assignor**, and will testify as to the same in any interference, litigation, mediation, arbitration or other proceeding when requested to do so.

IN WITNESS WHEREOF, **Assignor** has hereunto set his hand and seal.
