### RECITALS

A. In connection with that certain Pledge and Security Agreement dated as of July 8, 2009, by and among HW SHAPP LP, LLC, a Texas limited liability company ("*HW SHAPP*") and Assignors (the "*Pledge and Security Agreement*"), Assignors assigned and pledged to HW SHAPP a security interest in all right, title and interest in and to the patents, patent applications, trademarks, and trademark applications appended therefor ("*Intellectual Property*") on the attached Attachment A.

B. Under the Pledge and Security Agreement, HW SHAPP was authorized by the Assignors to sell the Intellectual Property in the event of a default by Assignors.

C. Assignors defaulted under the Pledge and Security Agreement, and in connection with that certain public, non-judicial foreclosure sale of the Intellectual Property on June 25, 2010, HW SHAPP accepted the bid of Assignee to purchase the Intellectual Property.

D. Assignee desires to obtain all right, title and interest in the Intellectual Property according to the terms of this Assignment.

Section 2. Assistance. From time to time, as and when requested by Assignee, Assignors shall execute and deliver, or cause to be executed and delivered, all documents and instruments and shall take, or cause to be taken, all further or other actions as Assignee may reasonably deem necessary or desirable to consummate the transactions contemplated by this Assignment, including, in the case of Assignors, executing and delivering to Assignee such assignments, deeds, bills of sale, consents, powers of attorney, declarations, affidavits and other instruments as Assignee or its counsel may reasonably request as necessary or desirable for such purpose. Further, at Assignee's expense, Assignors and their successors and assigns shall testify in any legal proceedings, sign all lawful papers, make all lawful oaths and generally do everything possible to vest title to the
