ASSIGNMENT OF PATENT RIGHTS

WHEREAS, Alex Henning, an individual, having an address of 553A South Sixth Street, San Jose, CA 95112, Michael Ferguson, an individual, having an address of 350 East Taylor Street #2108, San Jose, CA 95112, and Melonee Wise, an individual, having an address of 380 Auburn Way #23, San Jose, CA 95129 (hereinafter referred to as ASSIGNORS) have filed an application for Letters Patent in the United States and countries foreign to the United States as more fully described in Schedule A, which is attached hereto and made a part hereof;

WHEREAS, Fetch Robotics, Inc., a Delaware Corporation, (hereinafter referred to as ASSIGNEE), for which ASSIGNEE is desirous of obtaining the entire right, title and interest in, to and under the patent applications described in Schedule A.

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, ASSIGNORS hereby sell, assign, transfer and set over, unto the ASSIGNEE, its successors, legal representatives and assigns, the entire right, title and interest in, to and under the patent applications described in Schedule A and the inventions and improvements described therein, and all divisions, renewals, continuations and continuations-in-part thereof, and all Letters Patent of the United States that may be granted thereon and all reissues, reexaminations, and extensions thereof and all applications for Letters Patent that may hereafter be filed for any said inventions and improvements in any country or countries foreign to the United States, including those claiming priority to any of the patent applications described in Schedule A and all Letters Patent that may be granted for said inventions or improvements in any country or countries foreign to the United States and all extensions, renewals and reissues thereof, and any and all rights to sue for past infringement of any one of the rights embodied in any of the foregoing.

AND ASSIGNORS hereby authorize and request the Commissioner of Patents of the United States, and any official of any country or countries foreign to the United States whose duty it is to issue patents on applications as aforesaid, to issue all Letters Patent for the inventions and improvements to the ASSIGNEE, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

# California Acknowledgment

A notary public or other officer completing this certificate verifies only the identity of the individual who signed the document to which this certificate is attached, and not the truthfulness, accuracy, or validity of that document.

State of California

County of SANTA CLARA

On 01/21/2016 before me, D. Nguyen, Notary Public, personally appeared

(here insert name and title of the officer)

ALEX HENNING, MICHAEL FERBISON, MELNEE WISE

who proved to me on the basis of satisfactory evidence to be the persons whose names are subscribed to the within instrument and acknowledged to me that they executed the same in their authorized capacities, and that by their signatures on the instrument the persons, or the entity upon behalf of which the persons acted, executed the instrument.

I certify under PENALTY OF PERJURY under the laws of the State of California that the foregoing paragraph is true and correct.

WITNESS my hand and official seal.

(Seal)

Signature of Notary Public
