ASSIGNMENT OF PATENT APPLICATION

WHEREAS, I, Thomas Craig Weakley, a citizen of the United States, and a resident of the State of South Carolina, whose address is 206 Hemingford Circle, Simpsonville, SC 29681; has invented certain improvements in an invention entitled UHF RFID WRISTBAND TRANSPONDER by and for which a patent is sought.

WHEREAS, RF DESIGN STUDIOS, LLC, a limited liability company under the laws of the State of South Carolina, having a mailing address of 206 Hemingford Circle, Simpsonville, SC 29681 desires to acquire the entire right, title and interest in the same.

NOW, THEREFORE, for good and valuable consideration, which includes the wages, salary and other employee benefits in compensation for my/our employment with RF DESIGN STUDIOS, LLC the receipt and sufficiency of which is acknowledged, I/we, assign and transfer unto RF DESIGN STUDIOS, LLC, the exclusive right, title and interest in the United States and the world in and to the invention; the above identified application; any patent which may issue on the application; and, for either the application or patent, any renewal, reissue, division, continuation, or continuation-in-part, including all rights to claim priority under all United States domestic laws, International Convention(s) and Treaties in the name of Assignee and do hereby authorize Assignee or its designee to Application No 62/299,254 filed February 24, 2016 and *Application No.* _____ *Filing Date* _____ in the United States of America on which the claim for priority will be based; and in and to any Letters Patent that may be issued for the invention in any and all countries.

We bind ourselves, our heirs, legal representatives, administrators and assigns to properly execute without further consideration, any and all applications, petitions, oaths and assignments, or other papers and instruments, which may be necessary in order to carry into full force and effect this assignment and transfer made or intended to be made.

We do hereby agree to assist Assignee in the prosecution of the application(s) and in any interference, conflict, opposition or litigation which may arise involving the invention or the patent or patents thereon, and to execute for any and all countries any

document relating to applications derived from, corresponding to or equivalent to the above identified application as Assignee may request; and We do hereby authorize Assignee or its designee (or nominee(s)) to Application No. _____

Filing Date _____ in the country _____

_____ to the above Priority application of any country

where that country's patent property must be identified and entered hereinabove for recordal of this Assignment. We authorize Assignee or its designee to translate this Assignment into all languages necessary; and we request that any such Letters Patent be issued to Assignee; and consent to the recordal of this Assignment, or a Notarial True Copy thereof, being under covenant not only that We have full power to make the same, but also that such assigned rights are not encumbered by any grant, license, or other right heretofore given.
