ASSIGNMENT OF RIGHTS, TITLE, AND INTEREST IN INVENTION

This Assignment is by:

Navin KHANNA	International Centre for Genetic Engineering and Biotechnology Aruna Asaf Ali Marg New Delhi, Delhi 110067 INDIA
Viswanathan RAMASAMY	International Centre for Genetic Engineering and Biotechnology Aruna Asaf Ali Marg New Delhi, Delhi 110067 INDIA

hereinafter "the Assignors."

The Assignors are listed as the inventors in Indian Patent Application No. 2478/Del/2014 filed 1 September 2014 and PCT/IB2015/056352 filed 21 August 2015, entitled VACCINE.

In this Assignment, Assignors hereby convey to INTERNATIONAL CENTRE FOR GENETIC ENGINEERING AND BIOTECHNOLOGY, located at Aruna Asaf Ali Marg New Delhi, Delhi 110067 INDIA ("Assignee") their entire right, title, and interest in and to the foregoing Indian patent application and those that claim the benefit of priority of such Indian patent application, and inventions described therein, as further described below.

Whereas, the above-identified Inventors, have invented the invention identified above and described in the above-identified patent application (hereinafter referred to as "Invention");

And, whereas we desire to assign our above-identified rights, title, and interest in the Invention unto the above-identified Assignee, its successors, assigns, and legal representatives;

Now, this indenture witnesseth, that for good and valuable consideration, the receipt of which is hereby acknowledged;

We hereby assign, sell, and transfer the entire right, title, and interest unto the Assignee, its successors, and assigns, including the right to sue for past, present, and/or future patent infringement, in said Invention disclosed in the Indian patent application(s) identified above and

those that claim the benefit of priority of such Indian patent application(s), including any divisions, continuations, patents of addition; PCT international application(s); national phase applications and continuations-in-part (all continuing applications), and in and to any and all Letters Patent(s) of the United States, and countries foreign thereto, which may be granted or have granted for said Invention, and in and to any and all reissues and reexaminations thereof, and in and to any and all priority rights, Convention rights, treaty rights, and other benefits accruing or to accrue to us with respect to the filing of applications for patents or securing of patents in India, the United States, and countries foreign thereto, unto said Assignee;

And we hereby authorize and request the Indian Intellectual Property Office, Commissioner of Patents and Trademarks (US), and any other patent-issuing authority, domestic and foreign, to issue Letters Patent(s) which may issue for said Invention, directly to said Assignee, as assignee of the whole right, title, and interest thereto;

And I/we further agree for myself/ourselves and my/our executors to sign and execute all necessary and lawful future documents, including applications for foreign patents, PCT international application(s), for filing divisions, continuations, and patents of addition/continuations-in-part of said application for patent, and/or, for obtaining any reissues or reexaminations of any Letters Patent which may be granted for the aforesaid Invention, as the Assignee may from time to time require and prepare at its own expense.

And we further agree, when requested, without further charge to Assignee but at its expense, to communicate to Assignee or its representatives all facts known to us regarding the aforesaid Invention and improvements, testify in any legal proceeding, sign all papers, make all rightful oaths or declarations, and generally perform all acts, which may be necessary, desirable or convenient, to aid Assignee in securing, maintaining, and enforcing patents for the aforesaid Invention and improvements in the aforesaid countries, and for vesting title thereto in Assignee.

This Assignment may be executed in one or more counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same instrument.
