ASSIGNMENT

For good and valuable consideration, receipt of which is hereby acknowledged, I, Noah Balmer, of Oakland, California, hereby sell, assign, and transfer to DayMen US, Inc., a California corporation, having a place of business at 1435 N. McDowell Blvd., Petaluma, CA 94954, its successors and assigns, the entire right, title, and interest throughout the world in my invention in

ADJUSTABLE MOUNTING CLIP AND SYSTEM USING SAME

for which I have filed a United States patent application on November 1, 2012, which now has Application No. 13/665,934, and all national, regional, and international patent applications and patents of every country or region for said invention, including divisions, reissues, continuations, and extensions thereof, and all rights of priority resulting from the filing of said applications; I authorize the above-named assignee to apply for patents of foreign countries for said invention, and to claim all rights of priority without further authorization from me; I agree to execute all papers useful in connection with said United States and foreign applications, at their request and expense, in obtaining and enforcing patents for said invention in all countries and regions; and I request the United States Patent and Trademark Office to issue all patents granted for said invention to the above-named assignee, its successors, and assigns.

Executed this 2nd day of November, 2012.

Noah Balmer
