ASSIGNMENT

WHEREAS, the below-named Inventors (herein referred to as "First Assignors") mistakenly and erroneously assigned to Georgia-Pacific Consumer Products LP ("Second Assignor"), by assignment, recorded in the U.S. Patent & Trademark Office at Reel 029451, Frame 0457 on December 12, 2012 (the "First Assignment"), all right, title and interest in and to the invention entitled:

A LOW VISCOSITY KRAFT FIBER HAVING REDUCED YELLOWING PROPERTIES AND METHODS OF MAKING AND USING THE SAME

for which a provisional application for United States Letters Patent was filed on January 12, 2012, and accorded Application No. 61/555,833;

WHEREAS, GP Cellulose GmbH ("Assignee"), a corporation of Switzerland, whose post office address is Metallstrasse 9b, Zug, Switzerland 6300, was the intended assignee of the First Assignment and is desirous of securing the entire right, title, and interest in and to this invention in all countries throughout the world, and in and to the application for United States Letters Patent on this invention and the Letters Patent to be issued upon this application;

Assignment from the Second Assignor back to the First Assignors

NOW THEREFORE, be it known that, for good and valuable consideration the receipt of which from First Assignors is hereby acknowledged, Second Assignor has sold, assigned, transferred, and set over, and does hereby sell, assign, transfer, and set over unto the First Assignors, its lawful successors and assigns, its entire right, title, and interest in and to this invention, this application, and all divisions, and continuations thereof, and all Letters Patent of the United States which may be granted thereon, and all reissues thereof, and all rights to claim priority in any foreign country on the basis of the above provisional application, as well as all rights to claim priority on the basis of this application in any foreign country, and all applications for Letters Patent which may hereafter be filed for this invention in any foreign country and all Letters Patent which may be granted on this invention in any foreign country, and all extensions, renewals, and reissues thereof, for the purposes of transferring that interest to Assignee;

Assignment from the First Assignors to Assignee

NOW THEREFORE, be it known that, for good and valuable consideration the receipt of which from Assignee is hereby acknowledged, the First Assignors have sold, assigned, transferred, and set over, and do hereby sell, assign, transfer, and set over unto the Assignee, its lawful successors and assigns, our entire right, title, and interest in and to this invention, this application, and all divisions, and continuations thereof, and all Letters Patent of the United States which may be granted thereon, and all reissues thereof, and all rights to claim priority in any foreign country on the basis of the above provisional application, as well as all rights to claim priority on the basis of this application in any foreign country, and all applications for Letters Patent which may hereafter be filed for this invention in any foreign country and all Letters Patent which may be granted on this invention in any foreign country, and all extensions, renewals, and reissues thereof; and We hereby authorize and request the Commissioner of Patents and Trademarks of the United States and any official of any foreign country whose duty it is to issue patents on applications as described above, to issue all Letters Patent for this invention to Assignee, its successors and assigns, in accordance with the terms of this Assignment;

AND, FIRST ASSIGNORS AND SECOND ASSIGNOR HEREBY covenant that THEY have the full right to convey the interests assigned by this Assignment, and THEY will not execute any agreement in conflict with this Assignment;

AND, FIRST ASSIGNORS AND SECOND ASSIGNOR, and Assignee hereby agree that this Assignment, the result of which is to vest all interest in and to this invention (as described above) with Assignee, is to be deemed effective as of December 12, 2012;

AND, FIRST ASSIGNORS HEREBY further covenant and agree, without further consideration, to communicate with Assignee, its successors and assigns, any facts known to First Assignors respecting this invention and to testify in any legal proceeding, to sign all lawful papers when called upon to do so, to execute and deliver all papers that may be necessary or desirable to perfect the title to this invention in said Assignee, its successors and assigns, to execute all divisional, continuation, and reissue applications, make all rightful oaths, and generally do everything possible to aid Assignee, its successors and assigns, to obtain and enforce proper patent protection for this invention in the United States and any foreign country, it being understood that any expense incident to the execution of such papers shall be borne by the Assignee, its successors and assigns;

AND, if any provision of this Assignment is found to violate any statute, regulation, rule, order or decree, such invalidity shall not be deemed to affect any other provision hereof, and such invalid provision shall be deemed deleted herefrom to the minimum extent necessary to cure such violation.

IN TESTIMONY WHEREOF, an authorized representative of Second Assignor has executed this Assignment.
