Assignment of Patent

Robert Ivan Kay ("Assignor") is the sole owner of U.S. Patent Number D622, 016, dated August 17, 2010, titled Gutter Cleaning System (the "Patent") by operation of law as a result of the death of Assignor's wife, Co-Inventor and Co-Owner, C. Jean Hofmann-Kay. Assignor now desires to assign the Patent and Gutter Clutter Buster, LLC ("Assignee") desires to acquire rights in and to the Patent from Assignor effective as of January 1, 2017.

Therefore, for valuable consideration, the receipt of which is acknowledged, Assignor assigns to Assignee 100% of his right, title and interest in the invention and Patent to Assignee for the entire term of the Patent and any reissues or extensions and for the entire terms of any patents, reissues or extensions that may issue from foreign applications, divisions, continuations in whole or part or substitute applications filed claiming the benefit of the Patent. The right, title and interest conveyed in this Assignment is to be held and enjoyed by Assignee and Assignee's successors as fully and exclusively as it would have been held and enjoyed by Assignor had this assignment not been made.

Assignor further agrees to: (a) cooperate with Assignee in the protection of the patent rights and prosecution and protection of foreign counterparts; (b) execute, verify, acknowledge and deliver all such further papers, including patent applications and instruments of transfer; and (c) perform such other acts as Assignee lawfully may request to obtain or maintain the Patent and any and all applications and registrations for the invention in any and all countries.

ASSIGNOR:

Effective this 1<sup>st</sup> day of January, 2017

  
Robert Ivan Kay
