Attorney Docket No.	F8978-42701

hereinafter the “Patent Application.”

WHEREAS, ZTE WISTRON TELECOM AB, a corporation having a place of business located at Kista Science Tower, 19tr., Farogatan 33, Kista, S-164 51, SWEDEN, hereinafter referred to as “Assignee” is desirous of acquiring the Patent Application and the invention(s) described therein;

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and intending to be legally bound hereby, we, the undersigned Assignors, effective as of March 20, 2014, individually and collectively hereby sell, assign, transfer, and convey unto the Assignee, its successors, and assigns, our entire right, title, and interest

in and to the invention(s) described in the Patent Application for the territory of the United States and its possessions and territories and for the territory of all foreign countries worldwide;

in and to the Patent Application and all related United States, international, and foreign patent applications that claim an invention disclosed in the Patent Application, including
