ASSIGNMENT

We, William R. Gullett, Jon R. Schrader and Cornelius Joseph Toomey, have made an invention which is described in an application for patent entitled Printer-Comparable, Pre-Embossed Film, which application ☐ is being executed and filed concurrently herewith, ☒ was filed on 8 July 2008 and now is designated as United States patent application number 12/658,286.

NOW THEREFORE, pursuant to the obligations imposed by or arising under one or more of state or national statutes, common law, administrative regulation, and one or more agreements related to my employment with OMNOVA Solutions Inc., we do hereby agree to the following --

To OMNOVA Solutions Inc., a corporation created and duly existing under the laws of the State of Ohio and having a place of business at 175 Ghent Road in Fairlawn, Ohio, as well as its successors and assigns, we hereby

> assign, transfer, convey, and set over the full and exclusive right to

- 1) the above-described invention,
- 2) the above-described patent application for letters patent of the United States as well as any substitute, continuation, or divisional app filed thereon,
- 3) any letters patent of the United States that issues from such application(s) in (2) above as well as any reissue application or request for reexamination filed on such letters patent, and
- 4) any application for letters patent that relates to the above-described invention and is filed in any regional or national patent office or agency other than the United States Patent and Trademark Office, regardless of whether such application claims priority to the above-described application for letters patent of the United States, as well as any letters patent that might issue from such application(s).

OMNOVA Solutions Inc. shall be entitled to all of the benefits, profits, and results arising from or incident to all of the foregoing;

> covenant and agree for myself and my legal representative(s), whether now or hereinafter designated, to

- assist OMNOVA Solutions Inc. and/or its designee(s), to the extent requested, in the prosecution of any application for letters patent related to the above-described invention, in any interference or opposition declared on such application(s) for patent or patent(s) issuing therefrom, or in litigation which arises out of or includes a claim relating to such application(s) for patent or patent(s) issuing therefrom, and
- execute all papers related to such application(s) for patent which OMNOVA Solutions Inc. and/or its designee(s) request to be signed,

provided that expenses relating thereto shall be borne by OMNOVA Solutions Inc.; and

> authorize and request the official of the United States Patent and Trademark Office with responsibility for issuing letters patent to issue any letters patent of the United States relating to the above-described invention in the name of OMNOVA Solutions Inc.

IN WITNESS WHEREOF, we have executed this document on the date next to our names.
