## ASSIGNMENT

This Assignment is made by **Joseph T. Perrulli**, an individual, of 222 Pope Street, St. Helena, CA 94574; and **Boyd I. Willat**, an individual, of 26 26th Avenue, **Assignors**, to **GOVINO, LLC**, Delaware limited liability company, having a place of business at 20371 Irvine Ave., Suite A-100, Newport Beach, CA 92660, **Assignee**.

WHEREAS, Assignors have invented a new original and ornamental design for a **WINE GLASS WITH POUTED LIP**, for which an application for United States Design Patent was filed on July 22, 2016 and assigned U.S. Serial No. 29/571,975;

WHEREAS, Assignors believe themselves to be the original, first and joint inventors of the design disclosed and claimed in said application for Design Patent; and

WHEREAS, Assignee desires to acquire by formal, recordable assignment the entire right, title and interest in and to said design, said application and any Design Patent that may be granted for said design in the United States and throughout the world;

NOW, THEREFORE, in consideration of the sum of Ten Dollars (\$10.00) and of other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignors hereby sell, assign, and transfer to Assignee, the entire right, title, and interest in and to said design, said application and any Design Patent that may be granted for said design in the United States and throughout the world, including the right to file foreign applications directly in the name of the Assignee and to claim for any such foreign applications any priority rights to which such applications are entitled under international conventions, treaties, or otherwise. Assignors further transfer and assign to Assignee all causes of action, rights, and remedies arising under any patent or application for said design prior to or after the effective date of this Agreement.

Further, Assignors agree that, upon request and without further compensation, but at no expense to Assignors, they and their legal representatives and assigns will do all lawful acts, including the execution of papers and the giving of testimony, that may be necessary or desirable for obtaining, sustaining, reissuing, or enforcing Design Patent in the United States and throughout the world for said design, and for perfecting, recording, or maintaining the title of Assignee, its successors and assigns, to said design, said application, and any Design Patent granted for said design in the United States and throughout the world.

Assignors represent and warrant that they have not granted and will not grant to others any rights inconsistent with the rights granted herein.

Assignors authorize and request the Commissioner of Patents and Trademarks of the United States and of all foreign countries to issue any Design Patent granted for said design, whether on said application or on any subsequently filed division, continuation, continuation-in-part or reissue application, to Assignee, its successors and assigns, as the assignee of the entire interest in said design.

IN WITNESS WHEREOF, Assignors and Assignee have executed this Assignment on the dates written below.
