Whereas, the above-identified Assignor is the sole owner of record of the above-identified United States patent applications (hereinafter "Patents"), and;

Whereas, the above-identified Assignee is desirous of acquiring the entire right, title and interest in the same;

Now, therefore, for good and valuable consideration, the receipt of which is hereby acknowledged, Assignor, hereby sells, assigns and transfers unto said Assignee the entire right, title and interest in and to said Patents; the same to be held and enjoyed by said Assignee for its own use and for its legal representatives and assigns, to the full end of the term for which said Patents are granted, as fully and entirely as the same would have been held by Assignor had this assignment not been made.

Assignor agrees to execute all necessary and lawful future documents (if applicable), including assignments in favor of Assignee, or its designees as Assignee or its Assignees may from time-to-time present to Assignor in order to perfect title in said Patents;

Assignor further agrees to sign and properly execute such necessary and lawful papers for application for foreign patents, for filing divisions, continuations and continuations-in-part of any applications from said Patents, and/or, for obtaining any reissue or reissues of any Letters Patent which may be granted (if applicable), as the Assignee thereof shall hereafter require and prepare at its own expense.
