### ASSIGNMENT

We, Louis H. Borders, Aravind Durai, and Richard Oas of Palo Alto, California, for good and valuable consideration to us in hand paid, the receipt and sufficiency whereof is hereby acknowledged, have sold, assigned, conveyed and set over, and do hereby sell, assign, convey and set over unto HDS MERCURY, INC., having a place of business at 870 East Charleston Road, Suite 210, Palo Alto, California 94303, and its successors and assigns, the entire right, title and interest in and to subject matter invented or designed by us and disclosed in the patent application for the VEHICLE INSERT AND METHOD OF VEHICLE LOADING AND UNLOADING, U.S. Utility Application 15/425,633 filed in the United States Patent and Trademark Office on February 6, 2017 and claiming priority to U.S. Provisional Application 62/291,352 filed on February 4, 2016, executed by us and any, and all divisions, continuations thereof and in and to all Letters Patent of the United States, including any reissues and extensions thereof that may be obtained therefor, and the right, where such right can be legally exercised, in its own name to apply for and obtain Letters Patent, Inventor's Certificates, Utility Models and Designs, in countries foreign to the United States, including the full right to claim for any such application the benefits of the International Convention as fully and entirely as we could have done if the application had been in our names, and the entire interest in any Letters Patent, Inventor's Certificate, Utility Model or Design which may be granted on any such application in such foreign country; and we hereby authorize and request the Commissioner of Patents and Trademarks of the United States and any official of any country or countries foreign to the United States whose duty it is to issue Letters Patent, Inventor's Certificates, Utility Models or Designs, on applications as aforesaid, to issue any and all Letters Patent, Inventor's Certificates, Utility Models and, Design, that may be granted for said invention to HDS MERCURY, INC., its successors and assigns.

And for the above-named considerations, we hereby agree that we will without additional compensation but without cost to ourselves, promptly communicate to HDS MERCURY, INC., its successors and assigns, any facts known to us respecting said invention whenever requested and testify to any legal procedures, sign all lawful papers, execute all utility applications, divisionals, continuing and reissue applications for Letters Patent, Inventor's Certificate, Utility Model and Design, and assignment thereof, making all rightful oaths and generally do everything possible to aid said assignee, its successors and assigns, as and when requested by them, in obtaining and enforcing paper Letters Patent, Inventor's Certificate, Utility Model and Design protection for said invention or inventions and improvements, in the United States and all other countries.
