ASSIGNATION

by

- (1) **ITI SCOTLAND LIMITED**, a company incorporated in Scotland with registered number SC251900 and having its registered office at Fourth Floor, Atrium Court, 50 Waterloo Street, Glasgow, G2 6HQ (the "**Assignor**"); and

in favour of

- (2) **DESIGN LED PRODUCTS LIMITED**, a company incorporated in Scotland with registered number SC258229 and having its registered office at Quatermile One, 15 Lauriston Place, Edinburgh EH3 9EP (the "**Assignee**")

WHEREAS

- (A) The parties entered into an Assignment dated 19 and 23 June 2014 (the "**Agreement**").
- (B) Under the Agreement, the Assignor has assigned the Assigned IP (as defined below) to the Assignee and the parties wish to record the terms of such assignment in writing.

NOW THE PARTIES AGREE AS FOLLOWS:

1. Definitions and Interpretation

- 1.1 In this Assignment, the following terms and expressions shall have the meanings set opposite them:

"Assigned IP" means the ITI BPO hybrid technology platform described in Part 1 of the Schedule and all Intellectual Property Rights therein and Know-How and the patent application(s) referred to in Part 1 of the Schedule together with all patents which may be granted pursuant to such patent applications; (ii) patent applications and patents which may be made or granted and claiming priority from the said patent application; and (iii) all reissues, divisions, continuations, renewals and extensions of all such patent applications and patents including supplementary protection certificates;

"Effective Date" means the last date of signing of this Assignment;

"Know How" means all ideas, concepts, inventions, experience, drawings, documents, designs, models, computer programs and codes, texts, records, operating and testing procedures, instruction manuals, software, algorithms, bills of materials, tables of operating conditions, specifications, data, formulae, processes and process techniques and any other technical or confidential information in any form or medium relating to the technology described in Part 1 of the Schedule;

"Intellectual Property Rights" means any and all intellectual property rights or industrial rights of any description anywhere in the world including without limitation to the foregoing generality any patents, trade marks, domain names, registered designs, copyright (including without limitation to the foregoing generality rights in computer software, object and source code), rights in the nature of copyright, biological or other materials, database rights, semi-conductor topography rights, unregistered design rights, rights in and to trade names, business names, product names and logos, trade secrets, know-how and any analogous or similar right in any jurisdiction (whether any such rights referred to in this definition are registered, unregistered, registerable or not and any applications or rights to apply for registration of any of them together with any registered rights resulting from any such applications or rights to apply for registration);

"Materials"	any and all physical materials relating to or embodying any of the Assigned IP and/or Technical Information including but not limited to technical documentation, drawings, models, papers, plans, reports, preparatory design materials and prototypes (in each case in whatever medium they may be stored);
"Schedule"	means the Schedule annexed to and forming part of this Assignment; and
"Technical Information"	all ideas, designs, calculations, drawings, software or codes, experience, specifications, models, formulae, processes, data, composites of materials, research, procedures and other technical information relating to the Assigned IP and/or its creation development and/or use.

1.2 The Assignment shall be interpreted in accordance with the following provisions:

- 1.2.1 headings are for convenience only and shall not affect interpretation and references to clauses and the schedule are to the clauses of and schedule to this Assignment; and
- 1.2.2 unless the context requires otherwise, the singular shall include the plural and vice versa; reference to one gender shall include all other genders; and references to persons shall include an individual, company, partnership or any other association or organisation (whether or not having a separate legal personality)

2. Assignment

- 2.1 In consideration of the sum of £1 paid by the Assignee to the Assignor (receipt of which the Assignor acknowledges), the Assignor hereby confirms the assignment, transfer, conveyance and delivery to the Assignee all right, title and interest past, present and future in and to all such Assigned IP with effect from the Effective Date and any rights of any nature which may accrue to the Assignor in respect of the Assigned IP together with:
 - 2.1.1 any and all goodwill attached thereto;
 - 2.1.2 all the rights, powers, privileges and immunities and advantages conferred on the proprietor thereof;
 - 2.1.3 all causes or rights of action, actual or contingent and the right to recover damages therefore in respect of any past, existing or future infringements of the Assigned IP; and
 - 2.1.4 any and all common law rights and remedies in relation to the Assigned IP available to the Assignor as at the Effective Date.

3. General

3.1 Variation

None of the provisions of this Assignment may be varied, waived, extended or modified except expressly in writing and signed by each of the parties.

3.2 Applicable law and jurisdiction

This Assignment (including any contractual and non-contractual claims) shall be governed by and interpreted in accordance with Scots law. The parties submit to the exclusive jurisdiction of the Scottish courts.
