ASSIGNMENT of PATENT RIGHTS

I, one of Assignors identified below, have invented certain new and useful improvements in:

Multi-can Marker Stick

for which an application for a United States Patent was filed on: Mar. 8, 2017, under U.S. Pat. App. Ser. No.: 16/452872
(to be filled in upon filing) (to be filled in upon filing)

In return for good and valuable consideration of at least US\$10 received, I hereby assign to the Assignee identified below and its successors and assigns all right, title, and interest to the invention specified above, including all interests in U.S. and foreign patents and patent applications related thereto; all rights to claim priority thereto; extensions, continuations, divisions, substitutions, reissues, reexaminations thereof.

Further, I agree to take any reasonable actions as may be required in connection with the filing, prosecution and maintenance of related patents, including promptly forwarding any correspondence from any patent office.

Further, I agree to take such reasonable actions as may be required, if any, to perfect the assignment of the intellectual property and applications for related patents, including the execution and delivery of any additional instruments of assignment, affidavits and inventor's declarations.
