ASSIGNMENT

WHEREAS, I, **Timothy A. Larson**, a citizen of the United States, resident of Ferguson, State of Missouri, whose full post office address is 12 North Clay Avenue, Ferguson, Missouri 63135, have invented certain improvements in **Method For Generating Images Of Predicted Tire Tread Wear** for which I am about to make, and have executed, application for Letters Patent of the United States, identified as Attorney's Docket No. **HE-E700US** and assigned U.S. Patent Application Serial No. **62/279,305** filed on **January 15, 2016**;

AND, WHEREAS, **Hunter Engineering Company**, A Missouri Corporation, with offices at 11250 Hunter Drive, Bridgeton, Missouri 63044, is desirous of acquiring the entire right, title and interest in and to said improvements in **Method For Generating Images Of Predicted Tire Tread Wear** and all patent rights therefor;

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, I, said **Timothy A. Larson**, hereby sell, assign, transfer and set over unto said **Hunter Engineering Company** the entire right, title and interest in and to said improvements, and in and to all Letters Patent and patent rights which may be granted or issued for said improvements, in the United States and all foreign countries, and any reissue, reexamination, continuation, continuation-in-part, division, extension thereof, or any application which claims priority to the assigned application, the same to be held and enjoyed by said **Hunter Engineering Company**, a corporation, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by us if this Assignment and sale had not been made; and I agree to execute such further applications, powers of attorney, assignments and other documents as may be necessary or desirable to effectuate this Agreement.

AND I DO HEREBY authorize and request the Commissioner of Patents and Trademarks to issue that said Letters Patent, when granted, to the said **Hunter Engineering Company**, a corporation, its successors and assigns, as assignees of the entire right, title and interest in and to said improvements, for the sole use and behoof of said **Hunter Engineering Company**, a corporation, and for its successors and assigns, to the full ends of the terms for which Letters Patent may be granted.

AND I further grant to **Hunter Engineering Company**, a corporation, its successors and assigns, the right to claim for any application for patent for said improvements the full benefit of any international agreement between the United States and any foreign country or countries.
