ASSIGNMENT

WHEREAS, I, Markus Kalenborn, residing at Drosselweg 10, 89160 Dornstadt,  
FEDERAL REPUBLIC OF GERMANY, have invented certain improvements in:

DUAL FUEL FUEL-INJECTOR

described and claimed in U.S. Patent Application Serial No. 15/392,660, filed December 28,  
2016;

WHEREAS, L'Orange GmbH, a corporation organized and existing under the laws of the  
country of the Federal Republic of Germany, having a place of business at Porschestraße 30,  
70435 Stuttgart, Federal Republic of Germany, is to acquire the entire right, title and interest in  
and to said application for Letters Patent;

NOW, THEREFORE, in consideration of the sum of ONE DOLLAR (\$1.00) to me in  
hand paid, and for other good and valuable consideration, the receipt and sufficiency whereof is  
hereby acknowledged, I do hereby assign, sell, transfer and set over unto said L'Orange GmbH,  
its successors and assigns, the full, entire and exclusive right, title and interest, for the territory of  
the United States of America and for all foreign countries, in and to said invention, as described  
in the application identified above, and in and to said application and any divisions or  
continuations or continuations-in-part thereof or substitutes therefor which may be filed, and in  
and to any patents or reissues, renewals or extensions thereof which may be granted on said  
application or for said invention, and in and to any patent application which may be filed on said  
invention in countries foreign to the United States of America and any patents granted thereon;  
said invention, applications, and Letters Patent to be held and enjoyed by said L'Orange GmbH,  
and its successors or assigns, to the full end of the term or terms for which said Letters Patent  
may be granted, as fully and entirely as the same would have been held by me had this  
assignment not been made.

I hereby authorize and request the Patent and Trademark Office officials in the United  
States of America and the Patent Office officials of any and all foreign countries to issue any and  
all of said Letters Patent, when granted to said L'Orange GmbH, as the assignee of my entire  
right, title and interest in and to the same, for the sole use and enjoyment of said L'Orange  
GmbH, its successors and assigns.

Further, I agree to execute all papers and to give such lawful testimony and to perform such other lawful acts as said L'Orange GmbH, its successors and assigns may require to enable it or them to procure Letters Patent on said invention or reissues or extensions thereof in the United States of America and/or in any foreign country, and/or to hold, enforce or convey said Letters Patent, reissues or extensions.

Executed this 27 day of Jan., 2017

  
Markus Kalenborn
