Worldwide Assignment

WHEREAS, We, **Rick Rajaie, Miaosen Shen, Alexander J. Smith, and Austin L. Newman**, have made an invention entitled "HIGH VOLTAGE FAST CHARGE UTILIZING TWO CHARGE PORTS" for which We have filed an application for Letters Patent of the United States on February 15, 2017, under Application No. 15/433,882, and

WHEREAS, **NextEV USA, Inc.** ("ASSIGNEE"), a corporation duly registered in the State of California, whose postal address is 3200 North First Street, San Jose, California 95134, desires to acquire the entire right, title, and interest in and to the invention, the application, and any Letters Patent to be granted for the invention in the United States and in all foreign countries;

NOW, THEREFORE, in consideration of good and valuable consideration, the receipt and sufficiency of which We acknowledge, We, have sold, assigned, transferred, and set over, and do hereby sell, assign, transfer, and set over unto ASSIGNEE, its successors, legal representatives, and assigns, the entire right, title, and interest in and to the inventions, the applications, all applications claiming benefit of the applications, including, but not limited to, each divisional, continuation, and continuation-in-part of the applications, and all Letters Patent, Utility Models, Extension and other patent rights, that may be granted thereon in the United States, Canada and in all foreign countries, and all reissues and reexaminations thereof, together with the right to claim priority under the International Convention in all member countries; and We authorize and request the Director of Patents and Trademarks to issue all Letters Patent for the invention to ASSIGNEE, its successors, legal representatives, and assigns in accordance with the terms of this Assignment;

AND We covenant and agree that We have the full right to convey the entire right, title, and interest herein assigned and that We have not executed and will not execute any assignment or other instrument in conflict with this Assignment;

AND We further covenant and agree that upon request by ASSIGNEE, its successors, legal representatives, and/or assigns, and without further consideration, We will do all lawful acts that may be necessary or desirable to assist ASSIGNEE, its successors, legal representatives, and/or assigns to obtain and enforce patent protection for the invention in the United States and in all foreign countries, including, but not limited to, communicate with ASSIGNEE, its successors, legal representatives, and/or assigns any facts known to me/us regarding the invention, testify in any legal proceeding, sign all lawful papers, execute and deliver all papers that may be necessary or desirable to perfect the title to the invention in ASSIGNEE, its successors, legal representatives, and/or assigns, execute all divisional, continuation, continuation-in-part, reissue and reexamination applications, and make all rightful oaths, it being understood that any expense incident to the rendering of such assistance will be borne by ASSIGNEE, its successors, legal representatives, and/or assigns;

AND We further hereby authorize ASSIGNEE, or its attorneys or agents, to insert the correct application number and filing date into this Assignment, if none is indicated on that date of my/our execution of this agreement.

IN WITNESS WHEREOF, We have executed this Assignment on the date(s) indicated below.
