ASSIGNMENT

Effective February 24, 2017 (the "Effective Date"), for good and valuable consideration, the receipt of which is hereby acknowledged, Flotek Industries, Inc., a Delaware corporation having a place of business at 10603 W. Sam Houston Pkwy N., Suite 300, Houston, Texas 77064, for itself, its assigns and legal representatives ("Assignor") hereby:

1. Sells, assigns and transfers to Turbeco Inc., a Texas corporation having a place of business at 10603 W. Sam Houston Pkwy N., Suite 300, Houston, Texas 77064, its successors, assigns and legal representatives, all hereinafter referred to as the Assignee, its entire right (including, without limitation, the right to sue and collect damages for any past, present, and future infringement, including infringement occurring prior to the Effective Date of this Assignment), title and interest for the United States and all foreign countries, in and to any and all inventions and designs which are disclosed in United States Letters Patent granted on March 18, 2003 under No. 6,533,034, and entitled CENTRALIZED STOP COLLAR FOR FLOATING CENTRALIZER (hereafter, "the inventions"), and in and to the Letters Patent and all corresponding provisional, non-provisional, divisional, continuing, substitute, renewal, reissue and all other applications for Letters Patent, utility models, industrial designs or similar intellectual property rights which have been or shall be filed in the United States, internationally, and in any foreign country, including but not limited to China, Japan and Korea; and in and to all original and reissued patents which have been or shall be issued in the United States or any other jurisdiction on the inventions, including the right to apply for patent rights in each foreign country and all rights to priority, including the right to claim priority for China, Japan and Korea;

2. Agrees that the Assignee may apply for and receive Letters Patent and utility model and industrial design registrations for the inventions in its own name; and when requested, without charge to, but at the expense of the Assignee, agrees to carry out in good faith the intent and purpose of this Assignment, by executing all such further assignments, powers of attorney and other papers, by communicating to the Assignee all facts known to it relating to the inventions and the history thereof, and generally by doing everything reasonably possible which the Assignee shall consider desirable for aiding in securing and maintaining proper protection for the inventions and for vesting title to the inventions and all applications for patents and all patents on the inventions, in the Assignee;

3. Authorizes and requests Wolf, Greenfield & Sacks, P.C. to supply any missing patent/application identification information or correct any errors in the patent/application identification information provided above, whether discovered prior to or after recordation;

4. Covenants with the Assignee, that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by it, except for those set forth in: (a) the Amended and Restated Revolving Credit, Term Loan and Security Agreement with PNC Bank, National Association, dated May 10, 2013, including any amendments and restatements made thereto; and (b) the Amended and Restated Intellectual Property Security Agreement with PNC Bank, National Association, dated May 10, 2013, including any amendments and restatements made thereto, and that full right to convey the same as herein expressed is possessed by it; and

5. Appoints Assignee, through its designee, its attorney-in-fact to execute, in its name and on its behalf, any and all documents required to effectuate this Assignment, specifically including, but not limited to, those documents specified above and any necessary corrective assignments.

This instrument is executed under seal and signed under the pains and penalties of perjury under the laws of the United States of America as of the Effective Date.
